Welcome

Welcome to the After-School Plus (A+) Program. A+ is the outcome of a joint effort of former Governor John Waihee’s Subcabinet on Early Childhood Education and Child Care (chaired by former Governor Ben Cayetano who was Lieutenant Governor at that time), the Hawaii State Board of Education and the Hawaii State Department of Education (HIDOE) in 1989.

The goal of the A+ Program is to reduce the high incidence of latchkey children and provide affordable after-school child care services to children in the public elementary schools whose parents work, attend school or are in job training programs. The program also provides a safe, secure and nurturing environment with a rich variety of activities for the children.

The A+ staff appreciates your support and proudly provides a program that fits the interests and needs of children in a happy and stimulating environment. Please feel free to contact the A+ Site Coordinator at your school regarding your children’s adjustment and progress in the A+ Program.

About the A+ Program

The program starts immediately after the close of the school day. Children report to the base site for the A+ Program at their school. In general, during the first 30 minutes or so, children check in and are given time for free play/snack. After free play/snack, children participate in enrichment, physical development/coordination activities and are given time to complete homework. Enrichment includes activities such as arts, crafts, drama, music and dance. Physical development/coordination activities include physical fitness activities, sports and games.

Character development themes may be introduced to children in large group settings. There may also be presentations such as crime protection, drug abuse and prevention, pedestrian safety as community resources are available.

The A+ Program is not an extension of the regular school day. While some structure is necessary for order and control, activities will be offered in a comparatively informal setting where children are given the opportunity to choose from a variety of activities. Children will be encouraged to use after-school time to complete homework assignments.

While the program is operated by the HIDOE and not required to be licensed, State licensing standards were used as a guide in designing the program. The use of HIDOE facilities means that building and safety standards are met. Staff will be hired at each site so that the 20 to 1 children to staff ratio required for licensing is not exceeded. New employees will be subject to criminal history checks, and will receive both pre-service and in-service training. The A+ Program will provide an array of stimulating, enriching and enjoyable activities designed to engage children’s interests and keep them active both mentally and physically.

Program Goals

• To provide after-school supervision for children in a stimulating and caring environment.
• To reduce the number of latchkey children.
• To enhance the relationship between home and school in collaboratively meeting the needs of children.
• To improve the physical fitness of children.
Eligibility and Selection

All latchkey children enrolled in public elementary schools in kindergarten through grade six, are eligible to participate in the program if they are living with parent(s), guardian(s), or foster parent(s)/guardian(s) who is/are:
- Employed during the hours of A+ operations;
- Working in the A+ Program;
- Attending colleges, universities, or other types of schools during the hours of A+ operations;
- Engaged in job training programs during the hours of A+ operations.

In schools where enrollment is restricted because of staff shortages, students may enroll in A+ Programs at other schools if:
- Space is available;
- The Principal of the receiving school and the Site Coordinator approve; and
- Parent/legal guardian assumes responsibility and make arrangements for their child’s transportation to the alternative A+ site.

In restricting enrollment, no child will be discriminated against on the basis of religion, sex, or ancestry.

Request for Accommodations

The program shall be made available to all eligible children on a nondiscriminatory basis. For the child with a disability, who is identified by parents or who is known to the A+ program staff to have special needs, the district will provide such reasonable modifications as are necessary to afford the child an opportunity to participate. Note: The A+ program is voluntary and is not part of the compulsory educational service and not part of the individualized education program (IEP) of the child.

1. The parent/legal guardian makes a written request to the Site Coordinator using the A+ Request for Accommodation Form.
2. The Site Coordinator and the Principal shall meet with the parent/legal guardian to discuss the request and consult with other school staff familiar with the child to identify the particular needs of the child; determine what program modifications if any, will be necessary to reasonably accommodate the special needs of the child and whether these modifications can be reasonably provided and consider possible alternatives that may offer the child a comparable program.
3. Once the Site Staff formulate their recommendation, the Site Coordinator shall submit the A+ Request for Accommodation Form filled out by the parent/legal guardian and the A+ Program Recommendation Form with all the relevant information to the District A+ office.
4. The District A+ Coordinator shall determine and identify what accommodation, if any, is necessary for the child to access the A+ Program.
   The determination of the principal of the disposition of each case, in consultation with the district coordinator, shall be final.
5. Once a decision is made, the District A+ office shall send the forms as a PDF via email or fax and mail a hard copy to the State A+ Office for processing.
6. The State A+ Office will determine funding, if any will be provided, and process a memo for signature by the Community Engagement Office Director.
7. Once the memo is approved, the original will be sent to the A+ Site Coordinator with copies to the Complex Area Superintendent (CAS), Principal, and the A+ District Office.

Registration

When registering a child for the A+ Program, the parent/legal guardian will be asked to pay the first month's program fees and will be required to complete:
1. A+ Program Registration Form (background information on the child, departure arrangements, and names of people authorized to pick up the child);
2. A+ Program Emergency Form;
3. A+ Program Registration Agreement (delineates program policies and expectations of parent/legal guardian and children, to be signed by the parent/legal guardian before a child can be admitted into the A+ Program); and
4. Application for Subsidized Monthly Fee (A+ Program) - Optional.

Only one A+ Program registration per family should be submitted.
Hours and Days of Operation

A+ services will be provided on regular school days, beginning after school until 5:30 p.m. The program will not operate when school is closed, including school vacation periods, holidays, and Teacher Institute Day. A+ Programs will also be closed on days when school is open only half a day.

Snacks

The parent/legal guardian is responsible for providing snacks for their children. The nutritional value and perishability of foods should be considered. The parent/legal guardian may also check with the A+ Site Coordinator for possible snack options that may be available.

Program Fees

Fees/Payments

A+ fees are charged on a monthly basis and will be paid on or postmarked before the first school day of each month. Cash will be accepted, however, checks are preferred. Checks should be made payable to the school, e.g., A+ Program - Kaala Elementary School and mailed attention to the A+ Program. Payments made in person must be delivered directly to the A+ Site Coordinator by the parent/legal guardian. Cash should not be sent to school with children or by mail. Original receipts of payment will be issued and sent home with children to their parent/legal guardian.

December and January are considered a combined month with tuition payment due in December. There will be no provisions for refunds once payment is made. A $25.00 service charge will be charged for all returned checks.

Late Payments

A $5.00 late charge shall be imposed for each school day a payment is overdue.

Termination

If a child’s parent/legal guardian has not paid the monthly tuition within the first five (5) A+ Program days of the month, the child shall be terminated on the sixth (6th) A+ Program day. Failure to pay any outstanding fees by the end of the month shall result in termination from the program. Any exceptions to this policy must be approved by the A+ District Coordinator. The child may re-enroll if the parent/legal guardian pays all outstanding fees, and a penalty fee of $25 for reinstatement. If there is more than one child enrolled in the A+ Program, the family is penalized for a flat reinstatement fee of $25.

Transportation

Transportation to and from the A+ Program will not be provided as children are enrolled at their own school. Transportation arrangements are the parent/legal guardian’s responsibility. The parent/legal guardian must notify the A+ Program in advance of how children are to get home.

No modifications resulting in additional cost will be made in school bus schedules to accommodate children participating in the A+ Program.

For children with permission to attend A+ Programs at schools other than their regular school, the parents/legal guardian must make transportation arrangements and assume responsibility for getting their children there. The parent/legal guardian must notify the Site Coordinator of the arrangements made for the child to get to the A+ Program.
Pick-Up Procedures

Children shall be picked up only by the parent/legal guardian or authorized adults on registration forms. The parent/legal guardian must give advance permission for any other type of arrangement, such as:

- If the child is to be picked up by someone else that day.
- If the child is to walk, bike, skateboard, or take other means home, A+ staff is authorized to dismiss the child.

If the parent/legal guardian want A+ staff to release a child from school on his or her own, the parent/legal guardian must sign an “Authorization for Release of an Unaccompanied Child” form, releasing the A+ Program and staff of all responsibility once the child leaves the school.

When completing the form, the parent/legal guardian should select release times carefully. During the winter months, the sun may set before 6:00 p.m. Traffic may be heavier because of workers going home. When a child is released on his or her own, there will be fewer children on the streets than at the close of the regular school day. Upon completion of the form, the parent/legal guardian should consult with the Site Coordinator.

ID Cards

All persons authorized on the A+ Registration Form for child pick-up must show a current picture ID, i.e., Hawaii State driver’s license, State or Military ID card before children are released.

If a parent/legal guardian needs to have their child picked up by someone who has not yet been authorized for pick-up, the parent/legal guardian must:

1) Call the A+ site and provide his or her name and current ID information so that his or her identity can be verified
2) Provide the name and current ID information of the alternate designated to pick up the child.

If a person not previously authorized or phoned in by the parent/legal guardian comes to pick up a child, A+ staff will not release the child until the parent/legal guardian or other authorized adult has been contacted to confirm the identity of the pick-up adult and approve the child’s release.

It is the parent/legal guardian’s responsibility to notify the Site Coordinator of any injunctions barring any person, formerly authorized to pick up the child from the A+ Program.

Sign-Out

The parent/legal guardian or authorized adult must sign out the child on a sign-out sheet and note the time of departure. This procedure is essential for security purposes so that staff will have a record of which children have left.

Late Pick-Ups

If for any reason the child cannot be picked up by the time the program closes, the parent/legal guardian should contact one of the designees previously authorized by them for pick-up of their child.

If the child is not picked up within 15 minutes after closing, the Site Coordinator will try to contact the child’s parent/legal guardian first then other adults authorized to pick up the child. Children will only be released to authorized adults.

A $5.00 late pick-up fee per child shall be imposed for every 15 minutes beyond the closing time that a child is picked up late (i.e., 1-15 minutes late – $5.00; 16-30 minutes – $10.00, etc.) Chronic late pick-ups may be grounds for a child’s termination from the program.
Absences

If a child is to be absent from the A+ Program, the parent/legal guardian must call the A+ Program number to notify A+ staff of the absence prior to the end of the regular school day.

If the child is absent on a day he or she is scheduled to be in the program and the school has received no prior notification, staff will follow up with a call to the parent/legal guardian or another adult designated as a contact in case of emergencies, to verify the child’s absence.

If, after a period of time, the parent/legal guardian is uncooperative with this notification procedure, or the child is habitually truant, it may be grounds for termination of the child from the program.

Illnesses

Sick or moderately sick children should be kept at home so they can rest and are less likely to infect other children. Children kept at home during the regular school day should not be sent to the A+ Program.

If a child becomes ill during the A+ Program, the Site Coordinator (or designee) will contact a parent/legal guardian or other responsible adult named on the child’s registration form to pick up the child. Staff will have the child rest quietly until he or she can be picked up. Children with communicable diseases excluded from school as required by the Department of Health, also will be excluded from the A+ Program. Once readmitted to school, they may return to the A+ Program.

A+ staff will not be responsible for storing, holding, dispensing, or administering medication to children.

Emergency Care/First Aid

A+ staff will include at least one person at each site appropriately trained and certified in first aid.

A parent/legal guardian or other adults authorized by the parent/legal guardian in emergencies will be contacted in cases of serious injury.

The program cannot transport children to out of area physicians, so if staff is unable to locate the parent/legal guardian or an "emergency" contact, staff will secure appropriate treatment at the nearest medical facility.

If the injury or illness requires an ambulance, the child will be transported to a designated site or physician. In all cases of injury or illness, attempts will be made to contact the parent/legal guardian immediately and involve them in the decision regarding treatment. An adult staff member will accompany the child to the source of emergency care, if appropriate. The adult will stay with the child until the parent/legal guardian or parent/legal guardian’s designee assumes responsibility for the child’s care.

The A+ Program does not provide medical insurance for your child. The parent/legal guardian is financially responsible for any medical care or special transportation incurred on the child’s behalf.

Emergency Procedures for Closing the A+ Program

The A+ Program will follow the regular school procedures for closing school in case of emergencies such as flooded roads, heavy rains, earthquakes, breakdowns in utility services, etc. If school was closed earlier in the day before the start of the A+ Program, the A+ Program will also be closed.

In the event of a site evacuation, children will be taken to a local emergency center. The location will be posted at the A+ site. Efforts will be made to contact the parent/legal guardian should evacuation be necessary. A+ staff will remain with the children until they are picked up by a parent/legal guardian or other authorized adults.
Proactive Student Behavior Support Systems

The A+ Program will stress positive behavior. In the event disciplinary actions do not result in the desired behavior, the child may be referred to the Site Coordinator. Parent conferences may be arranged where there are repeated offenses.

If all efforts to control disruptive and/or abusive behavior are unsuccessful this may constitute grounds for termination from the program. For the success of the program, children must not be disruptive or abusive to themselves or to others.

If necessary for the health and safety of the child or other participants in the program, Hawaii Administrative Rule Chapter 19 will prevail.

The parent/legal guardian of children who are guilty of vandalism, or the damaging of school property shall make restitution to the school.

Termination from Program

Students may be terminated from the program for 1) failure to pay the monthly non-refundable fee (see page 3) or any outstanding fees (e.g., late payment fees, late pick-up fees, bad check fees, etc.) by the end of the month; 2) chronic late pick-up; 3) conduct which disrupts the program’s activities or jeopardizes the safety and welfare of the program’s staff or participants; or 4) the child is habitually truant.

Prior to termination from the program, the Site Coordinator at the school site shall meet with student and parent/legal guardian of the student to apprise them of the problems and to afford them a reasonable time to take corrective action. In an emergency situation, for health and safety reasons, a child may be immediately terminated from the program, and a follow-up meeting with the parent/legal guardian shall be offered.

Security

Procedures for reporting absences, staff follow-up on unreported absences, and daily sign-in and sign-out requirements are designed to maintain security for the children.

Children will be accompanied by staff whenever movement from one area of the campus to another is necessary.

The staff is instructed to be aware of strangers. Strangers will be asked to leave the school premises if they have no legitimate reason for being there. Monthly fire alarm drills will be conducted to ensure proper training of children and staff in fire evacuation procedures.

Communication/Consultation with Parent/Legal Guardian

Notices

A monthly activity schedule for the program will be prepared, posted and modified as plans change, so that the parent/legal guardian and children may know ahead of time what their children will be doing each day.

Other notices will be prepared as necessary and sent home with children to their parent/legal guardian.

Conferences

Parent conferences are not required, but will be arranged at the request of the parent/legal guardian, Group Leaders, or the Site Coordinator.

Program Evaluation

Parent evaluation of the A+ Program is an important factor in planning for improvement in subsequent years. The parent/legal guardian will be surveyed toward the end of the school year to solicit feedback.

The **After-School Plus (A+) Program**, the first program of its kind in the nation, provides statewide after-school services for public elementary students at affordable rates. The program addresses the “latch-key” child problem by providing a high quality after-school program to children of working parents/legal guardians or children whose parent/legal guardian is engaged in job training or attending school during the hours of A+ operations. If your child qualifies and you want to enroll him/her, please complete both sides of this registration form and return it to your child’s school.

**Fee:** Due Monthly  
The monthly fee covers regular program activities. The fee will be adjusted for those who qualify if acceptable supporting documentation about their income or DHS 728 Form is submitted.

**Hours:** After school - 5:30 p.m.  
The program hours are from after school to 5:30 p.m. on regular school days. The program will not operate during school vacations, state holidays, weekends, Teacher Institute Day, Teachers’ work day and school half days.

**Supervision:** Staff to Student Ratio of 1:20  
At each school, the staff will consist of a Site Coordinator and a group leader team supported by aides to maintain a staff to student ratio of 1:20. Staff recruitment may limit the number of students that a school can serve.

2. I shall pay the monthly tuition when it is due or it must be postmarked before the first school day of each month. Payment for December/January combined months will be paid in December.
3. I must not send payments to school with my child(ren), but must bring or mail them to the A+ Program at the school.
4. The monthly tuition I pay for my child(ren) is a flat rate, and that it does not depend on the number of days my child(ren) actually attends the program.
5. The A+ Program will make no refunds once tuition is paid for the month even if my child(ren) has attended only part of the month, e.g., even for one day.
6. I must pay a $25.00 service charge (cash or money order) for checks that I write to the program that are returned by the bank because of insufficient funds.
