Business Leaders

TEACHER EXTERNSHIP BENEFITS

- Industry needs are changing. Get in-depth, real world business experience.
- Network with some of Hawaii's leading business leaders.
- Find out the latest industry trends, job skills and competencies needed in the workplace.
- Better prepare your students for the realities and needs of the workforce.

APPLY NOW!

- Who:** Open to any CTE secondary teacher (grades 7-12) statewide (across all pathways).
Note: A total of 25 teachers will be selected to participate.
- When:** Application period open from now until May 31, 2017.
- How:** Go to HSTA website WWW.PD.HSTA.ORG to register for "Summer Business Externship" (CTE Educators only)
- Earn:** A stipend of \$1,500 will be provided to each teacher selected.

TIME COMMITMENT

- A total of 80 hours with weekly documentation of hours worked between June and December.
Note: This includes time for teachers to prep for updating lessons plans. If selected, teacher and business/industry partner can work out their specific work schedule.

WORKSITE (BUSINESS PARTNERS)

- Host organizations will find and pair the teacher with a relevant industry partner.
- Educators will be placed into businesses based on their CTE areas of interest.
- You do not need to have previous business/industry experience to apply. However, your skills and previous experience will be considered when determining business placement to best benefit you and the business/industry partner.

PORTFOLIO REQUIREMENTS

- Implement lesson plans or assessments based on Externship experience.
- Analysis of student samples.
- Teacher externs share their experiences with other CTE educators.
