Summer Food Service Student Meals

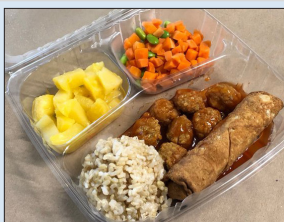

The Hawaii State Department of Education (HIDOE) Grab-and-Go school meals program will be extended at 35 meal sites for an extra four days beyond the end of the school year on May 28 through Jun. 3. The schools below will be providing breakfast and lunch free of charge to children 18 years or younger, regardless of eligibility for free or reduced price meals.

On May 29, 34 distribution sites will stop serving meals during the summer break. Kauai school sites will stop serving on May 29 and restart on Jun. 8. Sponsor sites at public agencies, churches and nonprofit organizations will begin serving meals to children at additional locations in communities to support keiki.

The program will run through July 17, 2020.

Parents are urged to check the revised site list below, as the Grab-and-Go sites they currently visit may be closing. Meal distribution will continue to provide grab-and-go servings in walk-up and drive-thru lines. Dine-in options will not be available. All children ages 18 and younger can receive one school breakfast and one lunch daily. Children do not have to be enrolled at the school distribution site and do not have to be public school students.

For special diet accommodations, send an email to specialdiets@k12.hi.us.
