Back to School
News and Notes for 2016-2017
Dear Families of students in the Baldwin – Kekaulike – Maui schools:

Welcome back to a new school year!

With registration fees and schedule pick-up right around the corner, I would like to take this opportunity to honor “our village” of teachers, educational assistants, school administrators, school offices, custodians, cafeteria staff and our many volunteers that do meaningful work everyday to motivate and teach our keiki.

I also want to take a moment to share the overall picture of our three complex areas because it’s important to note how we are working on strategies to uplift the complex as a whole.

Baldwin High Complex
- Feeder schools:
  - Iao Intermediate
  - Wailuku Elementary
  - Puu Kukui Elementary
  - Waihee Elementary

King Kekaulike High Complex
- Feeder schools:
  - Kalama Intermediate
  - Haiku Elementary
  - Kula Elementary
  - Paia Elementary
  - Makawao Elementary
  - Pukalani Elementary

Maui High Complex
- Feeder schools:
  - Lokelani Intermediate
  - Kihei Elementary
  - Kamalii Elementary
  - Maui Waena Intermediate
  - Pomaikai Elementary
  - Kahului Elementary
  - Lihikai Elementary

We are in year four of our Hawaii State Department of Education (HIDOE) statewide reform of raising academic standards. These twenty schools have done an outstanding job and they continue challenging themselves on improvement.

Baldwin High students:
- Exceed the state percent in the number of students taking the American College Test (ACT) by 6% (Baldwin = 93%, statewide = 87%)
- Exceed the state percent in the number of students attaining a regular high school diploma (Baldwin = 87%, statewide = 85%)
- Exceed the state percent in the number of students scoring a 3 or higher on the final exam. (Baldwin = 52%, statewide = 42%)
- Exceed the state percent in the number of AP exams taken by students (Baldwin = 2.8, statewide 2.2)

King Kekaulike High students:
- Exceed the state percent in the number of students attaining a BOE recognition diploma by 6%. (King K = 20% of graduates, Statewide = 14% of graduates)
- Reading proficiency is 3% above the state average (King K = 75% reading proficiency, statewide = 72%)
- Number of students in Advanced Placement (AP) courses taking the AP exam exceeds the state average by 19% (King K = 49%, statewide = 30%)

Maui High Students:
- Exceed the state percent in the number of students attaining a BOE recognition diploma by 14%. (Maui High = 28% of graduates, Statewide = 14% of graduates)
- Number of students in AP courses taking the AP exam exceeds the state average by 6% (Maui High = 36%, statewide 30%)
- Exceed the state percent in the number of AP exams taken by students (Maui High = 2.7, statewide 2.2)
- Exceed the state percent in the number of students enrolled in dual-credit courses (earning college credit and high school credit at the same time) by 2%. (Maui High = 12%, statewide 10%)
- Exceed the state percent in the number of students taking the ACT by 6% (Maui High = 93%, statewide = 87%)

These great results are testament to the meaningful work of every employee serving our students in the schools of the complex. Thank you for your continued support of our Baldwin-Kekaulike-Maui schools that are striving higher!

Sincerely,

Leila Hayashida
The DOE official school calendar is approved by the Board of Education. Schools determine their own planning and collaboration days within this calendar. Please see your child’s school calendar for start dates, teacher work dates, and other changes specific to your child’s school.
Schedule Pickup Information for School Year 2016 - 2017

Student Association Fees: $15.00
Class Dues: $5.00
Newsletter/communications: $5.00

BPA Lab fee (8th grade): $25.00
Memory Book (optional): $15.00
Aloha and welcome to Pu`u Kukui Elementary School!

Pu`u Kukui Elementary was named after the summit of the West Maui Mountains and is defined as "Hill of Enlightenment." Our goal is to create an environment where the priority is learning and growth for all.

Successful children have families that make education a priority and participate in the school in some way. We hope to involve families in a variety of ways to strengthen this partnership and to positively impact children. Positive relationships and a growth mindset are seen as crucial to developing leaders.

We seek to instill the values and skills of leadership in students through The 7 Habits and The Leader in Me programs. When students, families and staff apply The 7 Habits of Leaders we can excel.

Sincerely,

Chad Okamoto

On Friday, July 29, 2016, Pu`u Kukui will host our annual Proactive Pueo Day, from 2:00-4:00pm. Families are encouraged to attend to purchase uniform shirts, fund lunch accounts, make bus payments, and drop off school supplies. Class assignments will be posted in the office and classrooms will be open from 2:45-3:45 to drop off supplies and say hello to teachers. We look forward to welcoming back students for another successful school year!

Parent Teacher Conferences, 1:00PM release

UNIFORM POLICY

We are changing our uniform policy to better reflect our school colors of orange and white starting in the 2016-2017 school year. Our shirt vendor, Royal Hawaiian Shirtworks, will only print the orange shirt with white lettering from now on. Those families who still have the old style black or orange shirts may continue to wear them at school. All children who attend Wailuku Elementary must wear the school uniform shirt, unless they sign a school waiver, allowing them to wear any plain, solid colored shirt.

PARKING & TRAFFIC

Temporary parking is available on the grass in the Wailuku County Park for parents wishing to walk children to and from class. The side streets surrounding the school become one-way in the morning and afternoon from 7:00-8:00 AM and 1:00-2:30 PM. A drop off lane on Malako St. and Koeli St. is available - cars must not be left unattended or they may be ticketed by the police.

SCHOOL HOURS

School begins daily at 7:45 AM and ends at 2:00 PM except on Wednesdays when it ends at 1:15 PM. Children are marked tardy after 7:50 AM. When a child is sick or absent from school, parents are required to call the school office at 727-5500 before 9:00 AM.

Click on the QR code to go to our website for school supply lists, newsletters, menus, important updates, etc!

Wailuku Elementary School is a Title I School.

May 18 C/O 2017 Commencement

CHALLENGING HIGH SCHOOL
Kekaulike was one of eight Hawaii schools that made the Washington Post’s Most Challenging High School list and was the highest ranked school on Maui at number six. The list includes both private and public schools and is determined by the number of AP tests taken in relation to the number of graduating seniors. Kekaulike offers twelve AP courses, including two world languages!

STEM
Kekaulike’s STEMworks program is an elective course students may take all four years. Students in the program have been recognized annually for their work using technology to better their community. This year students won the Cybersecurity competition at the Hawaii STEM Conference.

HAWAIIAN IMMERSION
Kekaulike is proud to be home to the only high school Hawaiian Language Immersion Program on Maui. Since 2001 we have had 126 graduates who have committed to this education as early as preschool. Students are immersed in language, culture, and values to develop their readiness for community, career, and college pathways.

NEW PERFORMING ARTS CENTER
Construction of a new Performing Arts Center is underway. Our highly regarded Drama and Music students are looking forward to a state of the art facility. “There’s a special family feeling in this group, a developing tradition that is even more special, and a body of work that they’re producing which is most special.” Paul Janes-Brown, Curtain Call

COLLEGE AND CAREER CENTER OPENING NEXT YEAR
Kekaulike is partnering with UH Maui to offer college courses on campus where students can earn up to 15 college credits before graduating from high school.

SENIOR PROJECT FOR ALL
Since 1999, Kekaulike High School is proud to require an ever evolving Senior capstone assignment for all students. In its current form, the integrated Senior Project, students are given the opportunity to showcase all that they have learned in twelve years of school with a project that challenges their abilities, stretches their limitations, and culminates in a rewarding final activity to their high school careers. The Senior Project consists of four components: Product, Paper, Portfolio, and Presentation. Presentation day involves over 300 staff and community judges on campus to watch over 200 presentations.

Kindergarten Orientation
Aug 2 at 8:15 am in the Cafeteria

Kindergarten Parents
Kindergarten parents, you will be receiving a letter in the mail with details on your child’s assessment and schedule. Aug 9 is the first full day for all Kindergarteners.

If you know of any age 5 students who have not registered their child, please have them stop by the school office before school starts for a Kindergarten Registration Packet.

All new incoming students will need:
• Student’s health record and TB clearance
• Child’s Birth Certificate
• Proof of current address

Our PTA supports art, dance, creative movement, and music programs for our students.

Our enrichment programs provide STEM activities and garden activities. We also have PE taught by our YMCA teacher.

Things to Remember:
◊ Apply annually for Free and Reduced Meal Program at https://secure.ezmealapp.com
◊ Deposit money to your child’s meal account
◊ Register child for A+ at YMCA
◊ Register child for Bus transportation at the school office
◊ Establish bedtime schedule for school to help your child be well rested
◊ Be on time to school. It helps your child to start their day off well

First Day for Gr. 1 – 5 Students
Tuesday, August 2

NEW BELL SCHEDULE
Monday, Tuesday, Thursday, and Friday: 7:45 am – 2:00 pm
Wednesday: 7:45 am - 12:30 pm

Checklist for Creating Partnerships For Your Child at Haiku School:
✓ Volunteer in your child’s classroom
✓ Volunteer to be the Class Parent in your child’s class
✓ Join the PTA
✓ Become the PTA President (currently vacant)
✓ Volunteer to help with school events
✓ Volunteer, Volunteer, Volunteer 😊

If you are interested in any of the above, please contact Maile Davis, PCNC at 575-3000.

Other ways to support your child:
✓ Attend Open House, Parent Teacher Conference, and other school events and activities
✓ Read newsletters, check your child’s homework and backpack for communication with your child’s teacher

Throughout the year, we are looking for the following job positions:
• Substitute Education Assistants
• Substitute custodial workers
• Adult Supervisors

If you are interested, please call Kelley at 575-3000.
Aloha Families & Students,

On behalf of our hard working faculty and staff I would like to welcome you back to Kula School for another exciting year. We continue to focus on The Kula Way- Building A Culture of Mutual Respect & Shared Responsibility among our students, our teachers, and our families. Kula has always maintained the highest of reputations amongst public schools and we look forward to continuing the tradition this year.

This year we will be focusing on three general themes, the first of which is our technology integration. When we open school this year all of our students will have an electronic device to enrich their educational learning and work towards the skills they will need to be successful in the rapidly changing educational environment. Students in Kindergarten and Grade One will be using HP tablets, while grade Two through Five will canners at school continue the use of Chromebooks and Google applications to do their projects.

Our second general theme this year will be a back-to-basics approach to how we treat one another at school. We will intentionally teach respectful and appropriate behaviors in the school setting. This year we reinforce behaviors such as the use of please and thank you, good morning, etc. so we can have a common understanding of how we respect one another.

Our third focus for this year will be centered on our community building process and family participation at school events such as our Harvest Festival. We believe our families’ active involvement is essential to the success of each of our students. We will have no school on Friday, November 18 to accommodate family participation in preparation for our annual Harvest Festival. We expect 100% participation in some way, shape, or form.

Lastly, this year our school will begin an accreditation process through the Western Association of Schools and Colleges. This is the year we need your input concerning our strengths and needs to build a stronger school and community.

Sincerely,

Chris Bachaus, Principal

Aloha and Welcome! Pupukahi I Holomua! Unite to Move Forward! I feel the cresting wave of Lokelani Pride about to engulf us in a new and exciting school year, SY2016-2017. Mahalo to Digital Promise and Verizon for hurtling us into this new age of computers. Our students as well as our teachers have grown by leaps and bounds as they have all embraced this digital age. We remain committed to this path of technology, but have not forgotten, our basic objectives, that of the General Learner Outcomes. We will all strive to be: Self-Directed Learners, Community Contributors, Complex Thinkers, Quality Producers, Effective Communicators, and Effective and Ethical Users of Technology. To accomplish these goals, we also pledge to help and support one another ever mindful that each of us are a very important part of the Lokelani Waverider ‘Ohana.

I hope we can all work cooperatively to do what is best for our children, our families, and for all school personnel. Mahalo nui loa to everyone for your cooperation and understanding.

Donna Whitford
Principal

*The beginning of the school year is not only exciting, but it can be stressful as well. Lokelani Intermediate School understands the financial strain the purchasing of school supplies puts on families, especially those who have children in multi-grades. Last year, we collected $25 for school supplies during registration. Unfortunately, that amount really didn’t cover the true cost of the school supplies. We will continue to collect the $25 fee, and this fee will help to provide the teachers with paper towels, kleenex, pencils, pens, glue sticks, composition books, spiral bound notebooks, two-pocket folders, highlighter pens, class sets of scissors, rulers and markers, as well as reams of computer paper. Subject area teachers may ask students to bring items specific to their course. If at any time, there are families who are unable to purchase these specific items or pay the $25 fee, please contact SASA, Alicia Viernes @ 727-3310 immediately.

I hope we can all work cooperatively to do what is best for our children, our families, and for all school personnel. Mahalo nui loa to everyone for your cooperation and understanding.

Remember that my door is always open to everyone.

Donna Whitford
Principal

Through a partnership with Verizon’s philanthropic initiative, Verizon Innovative Learning Schools (VILS) and Digital Promise (DP), Lokelani Intermediate School received a 1:1 technology grant whose purpose is to bridge the technology gap in education by giving 24/7 internet access so all students can reach their full potential.

After completing the Digital Citizenship component of the program students will be issued their iPad.

Principal’s Msg

Aloha Students and Families,

We have a fun and exciting year planned for the 2016-2017 school year. Some of those events and activities include: Open House, Assemblies, Book Fair, ELL night, Math Matters, Cross Country, and May Day.

Based on STRIVE HI from last school year, Kahului Elementary is a Continuous Improvement school. Our growth in Reading and Science contributed to the data which kept us in this status. The April 2016 Honolulu Magazine rated our school with a solid B mark. We will celebrate and work even harder for all our students at Kahului.

Our school has made growth over the past year with the new Smarter Balanced Assessment. We will continue to provide opportunities through the Common Core State Standards (CCSS) for your child to reach their fullest academic potential.

We know that behind each and every success story are busy parents who work very hard with their child(ren) to complete with class and homework. We also understand that these individuals work tirelessly with volunteering at our school as partners in their child’s education through the Parent Teacher Student Association (PTSA).

I look forward to meeting each and every one of you.

With a growth mindset, we can accomplish anything.

Keoni Wilhelm
Principal - Kahului Elementary

Vision & Mission

VISION:
All Lihikai students will be empowered to reach their fullest potential and possess college and career readiness skills that will enable them to become global, contributing citizens who are prepared to meet the challenges of the future.

MISSION:
Every day, every moment and for every child, our mission at Lihikai School is

- To provide a nurturing, safe and stimulating learning environment;
- To form a partnership with our families and community in which we strive to promote positive decision makers and critical thinkers;
- To develop 21st century learners who will be...
EDUCATE THE WHOLE CHILD, AS A WHOLE SCHOOL, TO BE COLLEGE, CAREER, AND LIFE READY, BY CONNECTING ACADEMICS THROUGH 21ST CENTURY SKILLS IN ARTS INTEGRATION & TECHNOLOGY.

VISION - Learning is a journey; Each person plays a critical role.

**A+ Registration**
Physical Examination

All student athletes must complete the Hawai‘i State DOE Physical Examination Form for Athletes, which is valid for one year from the date of the examination.

If your child is a returning athlete please make an appointment for your child’s physical examination prior to the expiration of the current form so that he or she can continue to participate in athletics without interruption.

For new athletes, please schedule an appointment for a physical examination in a timely manner.

Physical Examinations Forms are available from your child’s High School:

- office
- Athletic Trainer
- Athletic Director
- or online at: http://bit.ly/HIDOE_Athletics

All Physical Examination Forms must be completed and turned in to the school before the student can participate in any athletic activity, including practice and try-outs.

Scholastic Eligibility

To participate in athletics, student athletes must have at least a 2.0 overall grade point average and receive passing grades in courses required for graduation.

Age Eligibility

Students in Grades 9-12 or a student, who becomes nineteen on or after September 1 of any given year, are age eligible for sports offered at the public high schools.

For additional information, please read the Dept. of Education Parent-Athlete Handbook.
