CALCULATIONS

Calculate your school’s 2018-19 S.Y. summative test participation rate for students with disability in each content area and your school’s 2019-20 S.Y. HSA-Alt student identification rate.

2018-19 S.Y. Participation Rate for Students with Disabilities in ELA, Math, and Science

1. Enter the total number of students at your school who were identified as students with disabilities who participated in each summative test- ELA, Math, and Science during the 2018-19 S.Y.
   ELA 69       Math 69       Science 11

2. Enter the total number of students at your school who were identified as students with disabilities who were eligible to participate in each summative test- ELA, Math, and Science during the 2018-19 S.Y.
   ELA 82       Math 82       Science 11

3. Divide line 1 by line 2 for each content area, multiply by 100, and round to the hundredths.
   ELA 84%       Math 84%       Science 100%

2019-20 S.Y. HSA-Alt Student Identification Rate

1. Enter the total number of students at your school who are currently identified for the HSA-Alt assessment in grades 3-8, and 11.

2. Enter the total number of students at your school who are currently eligible to take a summative assessment- Smarter Balanced, KAEQ, or the HSA-Alt in grades 3-8, and 11.

3. Divide line 1 by line 2 and multiply by 100 (round to the hundredths).

ASSURANCE

Please provide the following assurances for your school. Check all that apply.

- We encourage students with disabilities to take the summative assessments, including the HSA Science/Biology EOC/HSA-Alt if they are in the testing grades (3, 8, and 11) or enrolled in Biology.
- All IEP teams use the HSA-Alt Participation Guidelines to determine eligibility for participation in the alternate assessment.
- All students participating in the HSA-Alt meet the four criteria defined in the HSA-Alt Participation Guidelines.
