In December 2014, identified stakeholders from the Department of Education, parents, and community received results and longitudinal data for Performance Indicators. A template allowed stakeholders to set targets for all indicators and were considered in the submission of the Annual Performance Report (APR).

In the effort to support students with disabilities in the State of Hawaii, HIDOE disseminated the APR data to stakeholders and attended the Special Education Advisory Council (SEAC) meeting in December 2016. HIDOE reviewed the data with representatives from various stakeholder group such as the Special Parent Information Network (SPIN), Learning Disabilities Association of Hawaii, and the Community Children's Council Office (CCCO).
