Where are we now?

Prioritize school’s needs as identified in one or more of the following needs assessments:

- WASC Self Study
  - WASC Category B: Standards Based Student Learning: Curriculum
  - WASC Category C: Standards Based Student Learning: Instruction
  - WASC Category D: Standards Based Student Learning: Assessment and Accountability

**WASC Recommendation #1:** Implement instructional strategies beyond literacy strategies in all content areas that will more actively engage students in lessons so that student success increases. Strategies may include but are not limited to Higher Order-Deeper Thinking, Thinking Maps, think-pair-share, checking for understanding, hands-on activities, and student voice.

**WASC Recommendation #2:** The school leadership, along with the Complex Area Superintendent, needs to develop a plan to ensure a smooth transition from the multi-track school to a single track school.*

**WASC Recommendation #3:** Strengthen support and professional development for special education teachers and Educational Assistants, so there is consistency within the department and the achievement for special education students is improved.

**WASC Recommendation #4:** The school leadership and staff need to review and strengthen internal communication so all parties are provided with the necessary information for a smooth operation of the school.

**WASC Recommendation #5:** Develop a clear understanding of Response to Intervention (RTI) and utilize its strategies to support student learning and close the achievement gap.

*WASC Recommendation #2 will be addressed with school leadership and Complex Area Superintendent.

Addressing Equity: Sub Group Identification

In order to address equity, list the targeted sub group(s) and their identified needs. **Specific enabling activities listed in the academic plan should address identified sub group(s) and their needs.

**WASC Recommendation #5:** Develop a clear understanding of Response to Intervention (RTI) and utilize its strategies to support student learning and close the achievement gap.

**Disabled (SPED) Current Performance (percent proficient):** Public Data - ELA 18%; Math 9%; Science 26%

SY 16-17: ELA: 6th - 22% of 46, 7th - 7% of 55, 8th - 23% of 43; Math: 6th - 13% of 46, 7th - 2% of 55, 8th - 14% of 43; Science: 26% of 43

**Disadvantaged Current Performance (percent proficient):** Public Data - ELA 52%; Math 32%; Science 53%

SY 16-17: ELA: 6th - 52% of 115, 7th - 49% of 126, 8th - 53% of 99; Math: 6th - 47% of 114, 7th - 28% of 126, 8th - 31% of 99; Science: 41% of 99

**English Language Learner Current Performance (percent proficient):** Public Data not available due to count

SY 16-17: ELA: 6th - 33% of 3, 7th - 0% of 5, 8th - 0% of 6; Math: 6th -33% of 3, 7th 0% of 5, 8th - 0% of 6

**ORGANIZE:** Identify your Academic Review Team Accountable Leads.

Goal 1: Student Success. All students demonstrate they are on a path toward success in college, career and citizenship.

☐ Objective 1: Empowered - All students are empowered in their learning to set and achieve their aspirations for the future.

☐ Objective 2: Whole Child - All students are safe, healthy, and supported in school, so that they can engage fully in high-quality educational opportunities.

☐ Objective 3: Well Rounded - All students are offered and engage in rigorous, well rounded education so that students are prepared to be successful in their post-high school goals.

☐ Objective 4: Prepared and Resilient - All students transition successfully throughout their educational experiences.

Outcome: By the end of three years,

1. All teachers will use instructional practices to increase student literacy and engagement (higher order, deeper thinking) in each academic discipline. (Differentiation, Close-Reading, Academic Vocabulary, Text-Dependent Questioning, Constructing & Defending Arguments, Citing Evidence) (WASC Recommendation #1)

2. All teachers will increase technology opportunities and provide hands-on learning for rigorous STEM (science, technology, engineering, and mathematics), Project Based and Service Learning programs of study that expose students to potential career paths and opportunities.

3. All students will be instructed and assessed on the Common Core State Standards for English Language Arts, Literacy, and Mathematics.

4. School staff will provide proactive student behavior support for all students.

Rationale:

In order for students to be prepared for the challenges they will face in the 21st century, Mililani Middle School is responsible for ensuring that students feel empowered, are well-rounded, prepared and resilient in order to demonstrate independence as contributing citizenry. Mililani Middle School’s mission is to develop life-long learners who respect themselves and others, value excellence and contribute positively to our world. The MMS community aims to care and support the whole-child by committing to the middle school philosophy ensuring that the 16 characteristics outlined are reflected in the curriculum, instruction, and assessment designed for guiding the continuous improvement of our middle school students.

<tbody>
<tr>
<td>1. All teachers will utilize all components of the Educator Effectiveness System to reflect and improve upon their individual practice.</td>
<td>The Mililani Middle School Multi-Track calendar provides the faculty and staff with opportunities for professional development to meet the needs of the teachers and ultimately impact student achievement. Professional development focuses on targeted areas of curriculum, instruction and assessment, RTI, as well as district/state initiatives, such as Standards Based Grading and Reporting. For classified staff, particularly Educational Assistants in the special needs classes, there is continued professional development in the following areas: Discrete Trial Training, Pivotal Response Training, Registered Behavior Technician training. Special Education teachers will be given opportunities for professional development to establish consistency within the department and the achievement for special education students.</td>
</tr>

### Goal 3: Successful Systems of Support

The system and culture of Mililani Middle School works to effectively organize financial, human, and community resources in support of student success.

<table>
<thead>
<tr>
<th>Outcome: By the end of three years.</th>
<th>Rationale:</th>
</tr>
</thead>
<tbody>
<tr>
<td>1. All teachers will analyze data collaboratively through the Data Team Process and utilize RTI in order to improve upon instructional practices to support student success and engagement and to close the achievement gap. (<a href="#">WASC Recommendation #1 &amp; #5</a>)</td>
<td>Teacher teams utilize a variety of formative assessment strategies, accompanied by descriptive feedback that provides students with the opportunity to improve. Teachers review assessment data and continuously make modifications to their instructional practices. They engage in the data teams process to collectively and analyze data and set SMARTe goals that result in improving instruction and student engagement. All stakeholders must have clear communication protocols to ensure the smooth operation of a multi-track school.</td>
</tr>
<tr>
<td>2. All faculty and staff will have effective communication protocols to support the operation of the school. (<a href="#">WASC Recommendation #4</a>)</td>
<td></td>
</tr>
</tbody>
</table>

### Desired Outcome

All teachers will analyze data collaboratively through the Data Team Process and utilize RTI in order to improve upon instructional practices to support student success and engagement and to close the achievement gap.

### Enabling Activities

**Efficient and Transparent Supports (3b)**
- Instructional Teams will utilize the Longitudinal Data System to identify the High-Needs students. Data Teams will develop a plan to provide students not meeting proficiency with additional supports to increase their achievement. *(WASC Recommendation #1 & #5)*

### School Year(s) of Activity
