Three-Year Academic Plan SY 2017-2018, 2018-2019, 2019-2020

Where are we now?													
<p>Prioritize school's needs as identified in one or more of the following needs assessments:</p> <ul style="list-style-type: none">• Comprehensive Needs Assessment (Title I Schools)• WASC Self Study<ul style="list-style-type: none">▪ WASC Category B: Standards Based Student Learning: Curriculum, instruction▪ WASC Category C: Standards Based Student Learning: Instruction▪ WASC Category D: Standards Based Student Learning: Assessment and Accountability• Pohakea Academic Reflection Team (ART)	<p>Review Pohakea's Comprehensive Needs Assessment (CNA) for supporting data / evidence.</p> <p>The following four (4) needs are based on the CNA at this time.</p> <ol style="list-style-type: none">1. Reduce the achievement gap for students who are performing under grade level proficiency in the areas of ELA and Math. Based on a schoolwide perspective, Pohakea continues to struggle in increasing the number of students who demonstrate proficiency in the SBA. A little less than half of our students in grades 3-6 are demonstrating proficiency in both English Language Arts/Literacy (ELA) and Math for school years, 2015-2016, 2016-2017 and 2017-2018. This is Pohakea's SBA proficiency results: <table><tr><th>POHAKEA SBA SCORES</th><th>2015-16</th><th>2016-17</th><th>2017-18</th></tr><tr><td>ELA</td><td>44%</td><td>49%</td><td>51%</td></tr><tr><td>Math</td><td>46%</td><td>47%</td><td>45%</td></tr></table> <ol style="list-style-type: none">2. Ensure ALL students demonstrate at least one (1) year's growth in ELA and Math every year. Here is Pohakea's three years Median Growth Percentile (MGP) from SY2014-15 through SY17-18:<ul style="list-style-type: none">• 52% → 52% → 55% ELA MGP→ 56% ELA (MGP increased by 4% over 4 years)• 53% → 67% → 57% → 54% Math MGP (MGP increased 1% over 4 years)3. As we continue to focus on addressing the whole child, we need to increase teacher effectiveness in every classroom in delivering instruction that impacts student learning positively while addressing individual student's social and emotional needs.4. Strengthen Pohakea's learning culture that is grounded in making decisions based on <i>what's best for students</i> by:<ul style="list-style-type: none">• Establishing a new vision and mission in SY 2017-2018 that promotes learning within a positive school culture;• Developing and refining skills that result in effective collaboration with all stakeholders to ultimately strengthen partnerships and create better ways of achieving school goals (Impact Teams);• Recognizing and valuing everyone's strengths and supporting everyone's growth [VL Hattie's #1: Collective Teacher Efficacy]. Addressing Equity: Subgroup Identification

In order to address equity, list the targeted sub group(s) and their identified needs. **Specific enabling activities listed in the academic plan should address identified sub group(s) and their needs.

Continued focus on the needs for:

1. Identified special education students to work towards transitioning back to 100% of their general ed. learning environment(s).
 - Provide appropriate/differentiated professional development (PD) for teachers so student learning needs/challenges are adequately addressed in a timely manner;
 - Continue to refine the RtI process to effectively provide clarity for struggling students.
 - Provide appropriate inclusionary instructional practices for special education students to access the general education curriculum with specially designed instruction.

Three-Year Academic Plan SY 2017-2018, 2018-2019, 2019-2020

Goal 1: Student Success. All students demonstrate they are on a path toward success in college, career and citizenship.

☒ **Objective 1: Empowered** - All students are empowered by their learning to set and achieve their aspirations for the future.

☒ **Objective 2: Whole Child** - All students are safe, healthy, and supported in school, so that they can engage fully in high-quality educational opportunities.

☒ **Objective 3: Well Rounded** - All students are offered and engage in rigorous, well rounded education so that students are prepared to be successful in their post-high school goals.

☒ **Objective 4: Prepared and Resilient** - All students transition successfully throughout their educational experiences.

Outcome: By the end of three years, SY 2019-20:	Rationale:
<p>1. Empowered Capable Learners: Pohakea Students will be assessment capable learners (VL Effect Size 1.44), clearly articulating the Learning Intentions/Success Criteria (LISC) and identifying:</p> <ul style="list-style-type: none"> • <i>Where am I going?</i> • <i>How am I doing?</i> • <i>Where to next?</i> <p>Students will be enlightened by learning and practicing critical 21st century skills to prepare them for success (GLOs).</p> <p>Learning is meaningful & relevant as students are provided opportunity to demonstrate, apply, and synthesize their learning.</p> <p>2. Whole Child: A happy, supported child will do better in school than when they're not.</p> <p>Pohakea Students will feel safe, healthy, and supported in school. The following tools and/or assessment-type surveys will show a strong correlation between addressing the whole child and the results of the following:</p> <ul style="list-style-type: none"> • The Safety and Wellness Survey (SAWS) • Tripod Survey for Teachers 	<p>1. Empowered Capable Learners: Our decisions and actions will be grounded on the Visible Learning research of John Hattie.</p> <p>What is Visible Learning?</p> <p>"Visible learning are teachers seeing through the eyes of their students, and students seeing themselves as their own teachers." [Critical thinkers & self-directed]</p> <ul style="list-style-type: none"> • Teachers become evaluators of their own teaching. [Hattie's Mindframes] • Hattie established a way to measure the influence on student learning. The higher the effect size, the greater the impact of a particular strategy, practice, etc. on student achievement. • Teachers will explore, learn, and transfer Hattie's 10 mindframes in order to impact student success <p>2. Whole Child: A student's potential is limitless when he/she is provided full access to the best education we are responsible to deliver. They must feel safe and comfortable to take risks and have their voices heard. They should not fear ridicule, rejection, or fear of not being accepted.</p> <p>Students can learn more and achieve more when they are able to challenge</p>

Three-Year Academic Plan SY 2017-2018, 2018-2019, 2019-2020

- School Quality Survey (SQS)
- Brief Externalizing & Internalizing Screener for Youth (BEISY)
- Attendance & Chronic Absenteeism

3. Well Rounded:

Pohakea Students will be provided a rigorous academic curriculum while learning, *growing and becoming good, successful and joyful individuals*. They will be provided ample opportunities by practicing/applying key dispositions that lead to life-long success. Teachers and the school community will support “*students growing & becoming*” by embedding and integrating character / soft skills development:

- Pohakea’s Core Values of *The 3 Take Cares*
- *GLOs (used currently, transitioning/adding 21st Century Skills)
- Exploring soft skills / dispositions critical for success in all aspects of life (VL dispositions) Pohakea students will continue to become . . .
 - o *Curious & Creative*
 - o *Critical Thinkers*
 - o **Effective Communicators*
 - o *Embracers of Challenges & Problem Solvers*
 - o *Perseveres, Resilient and Grit*
 - o *Civic Character*

4. Prepared / Resilient: A closer look at student transitions...

- Transition Center for:
 - o New students from another country, state, island
 - o New students from another HIDOE school
 - o New EL students
 - o New SpEd students
 - o Leaving Pohakea:
 - Only school attended
- Addressing unfamiliar emotional stress that comes with making new friends and/or leaving friends;
- Dealing with the unknown and the fear/feeling of having to start all over.

their potential freely, with anticipation and excitement to assimilate maximum learning.

3. Well Rounded:

Success, in any aspect of life, has much to do with one’s character and dispositions than knowledge, as much literature suggests. However, we know that it is critical to be happy and to be a strong community contributor, one must also have a strong academic foundation.

4. Prepared / Resilient:

Studies have shown that a prepared and resilient child has a significant adult in their life. At Pohakea, teachers, counselors, custodians, adult supervisor, instructional coaches and administration all have a role in creating a safe and nurturing learning environment where all students may learn and feel successful and a part of the community.
