Three-Year Academic Plan 2019-2022

Three-Year Academic Plan SY 2019-2020, 2020-2021, 2021-2022

Where are we now?

At Ka'elepulu, we choose to be mindful and embrace challenges with persistence and effort in order to be an intellectually safe and supportive learning environment (Re-Visioned March 2018).

Prioritize school's needs as identified in one or more of the following needs assessments:

- [Comprehensive Needs Assessment](#)
 - [CNA Data Tables](#)
- WASC Self Study
 - WASC Category B: Standards Based Student Learning: Curriculum, instruction
 - WASC Category C: Standards Based Student Learning: Instruction
 - WASC Category D: Standards Based Student Learning: Assessment and Accountability

1. Need: School-wide RtI/Tier 2 Supports System (CNA) (1.3b)
 - How can we create and integrate an academic RtI system that is comprehensive and efficient?
 - How can we create and integrate a behavioral RtI system that is comprehensive and efficient?
2. Need: Increase student achievement in math by 9%, ELA by 5%, and maintain Science proficiency (CNA) (1.2b, 1.3a)
 - How can we increase our students math capabilities?
 - How can we increase our ELA proficiencies?
 - How do we maintain Science Proficiency?
 - How can we schedule our time to enhance student learning with current staffing?
 - How can we increase student engagement and positive well-being?
 - How can we effectively utilize space in our small school for maximum learning?
3. Need: Teacher support plan that includes school-wide pdp, transitions, and mentors (CNA) (2.1d)
 - How can we transition new teachers into our school family, and new programs transitions into current staff?
 - How can we change student perceptions of management to match expected behaviors?
4. Need: Implementation/Refinement of ART/ILT (CNA)(3.1b, 3.3a/b/d)
 - How can we ensure staff participation and understanding of the ART/ILT teams and processes?
5. Need: Student Personal Learning Plans (WASC) (1.1, 1.3)
 - How can we promote student success through personalized learning plans?
6. Need: School-wide Systems for Data Collection to inform differentiated learning (WASC)(1.3, 3.3b, 3.3e)
 - How can we keep track and use data in purposeful ways?
7. Need: Wellness plan that focuses on student engagement to include all parts of student life (CNA) (1.1, 1.2, 1.3)
 - How can we raise student engagement in all activities?
 - How can we increase a positive well-being mindset in students ?

Addressing Equity: Subgroup Identification

In order to address equity, list the targeted sub group(s) and their identified needs. **Specific enabling activities

Three-Year Academic Plan SY 2019-2020, 2020-2021, 2021-2022

	<p>listed in the academic plan should address identified subgroup(s) and their needs.</p> <ul style="list-style-type: none">● Reviewed data found no significant needs identified for school sub groups

Three-Year Academic Plan SY 2019-2020, 2020-2021, 2021-2022

Goal 1: Student Success. All students demonstrate they are on a path toward success in college, career and citizenship.

- ☐ **Objective 1: Empowered** - All students are empowered in their learning to set and achieve their aspirations for the future.
- ☐ **Objective 2: Whole Child** - All students are safe, healthy, and supported in school, so that they can engage fully in high-quality educational opportunities.
- ☐ **Objective 3: Well Rounded** - All students are offered and engage in rigorous, well rounded education so that students are prepared to be successful in their post-high school goals.
- ☐ **Objective 4: Prepared and Resilient** - All students transition successfully throughout their educational experiences.

Outcome: By the end of three years,	Rationale:
<p>Ka'elepulu Elementary School will:</p> <ul style="list-style-type: none">● EMPOWER students through<ul style="list-style-type: none">○ 1.1, 1.3 personal learning plans that include short and long term goals, learning styles, and interests as suggested in the WASC report (SSSI 4, 6, and 7).○ 1.1, 1.2, 1.3 schedule changes based on student need○ 1.1, 1.3 investigation of programs and strategies that engage students in learning in authentic ways○ 1.1, 1.2, 1.3 improvements to the wellness plan to make holistic changes in student life	<ul style="list-style-type: none">● Students setting goals improve academic performance, increase motivation, increase pride and satisfaction in work and improves self-confidence. It gives them long-term vision and short term motivation, and their own voice in their learning improving student achievement. This is one of the WASC recommendations.● With limited staffing, student focused scheduling will help that resources are utilized where there are prioritized need.● Students at KES have many opportunities to participate in various interests. By investigating new programs, and using strong student voice strategies in day to day instruction, students will be more engaged in classroom learning and beyond.● Ongoing review and revision of the wellness plan will ensure that the student voice is present in what we do in all parts of student life at KES.

Three-Year Academic Plan SY 2019-2020, 2020-2021, 2021-2022

- Foster the WHOLE CHILD through
 - 1.2c Absenteeism (ABS): a decrease in chronic absenteeism from 6% to 4% (SSSI 1)
 - 1.2a/b SC: an increase in School Climate measure from 87% to 94% (SSSI 2)
 - Wellness Plan
 - p4c: a p4c mindset through all subject areas
 - SEL: Social Emotional Learning
 - P.E.: varied physical education experiences
 - HA: Na Hopena A'o Crosswalk with GLOs, Habits of Mind, and Choose Love
 - 1.2b Physical space/creative learning spaces

[Choose Love Connections with Ku'ulei](#)

[HA Crosswalk with pacing](#)

- ABS: Because attendance is so strongly linked to performance, students need to be in school for the development of the whole child.
- In order to increase our School Climate measure, we need a Wellness Plan that encompasses different parts of a student's life. By implementing a plan that continues practice in p4c, SEL - Choose Love, P.E., creating a HA crosswalk, and creating a school-wide Student Solution Center we will be addressing the needs of the whole child. will address the needs of the whole child.
- SC - p4c: A p4c classroom is an intellectually safe place that stimulates inquiry in a reflective community. It has students think collaboratively on meaningful questions to engage them in critical thinking in appropriate educational experiences. This deeper thinking raises student achievement. In maintaining the p4c pedagogy, our children will continue to practice inquiry at deep levels in all subject areas.
- SC - SEL: Choose Love grounds children in who they are by:
 - incorporating Character Values, Courage, Gratitude, Forgiveness, and Compassion, that cultivate optimism, resiliency and personal responsibility bettering student achievement
 - helping students achieve academic and personal success through: better self-awareness and management skills, social awareness, improved relationship skills, responsible decision-making skills, enhanced self-control, and positive intention
- SC - P.E.: Provided activities for recess and a designated PE instructor develops the whole child by helping students stay physically healthy, developing interests in different types of activity, building team and other social skills and improves focus in academic performance.
- SC - HA: Our culture in Hawaii is so different from anywhere else in the world. HA: BREATH infuses our local culture with

Three-Year Academic Plan SY 2019-2020, 2020-2021, 2021-2022

	<p>all that a student is and becomes. The outcomes include a sense of Belonging, Responsibility, Excellence, Aloha, Total Well-being and Hawai‘i. Underlying these outcomes is the belief that students need both social and emotional learning (SEL) skills and academic mindsets to succeed in college, careers and communities locally and globally. Thus, HĀ learning outcomes emphasize the competencies that include application and creation of knowledge along with the development of important skills and dispositions.</p> <ul style="list-style-type: none"> • With the growing enrollment, classroom spaces/learning spaces has become a growing need. By creating spaces that maximize efficient use of space and using creative learning spaces themes, we can provide physically safe educational environments.
<ul style="list-style-type: none"> • Nurture WELL-ROUNDED students through <ul style="list-style-type: none"> ○ 1.3a - a balanced math curriculum that focuses on a growth mathematical mindset, daily explicit usage of SMPs and content development ○ 1.3a - Increase student achievement in math by 3% every year to attain 9% target ○ 1.3a - a balanced and blended literacy program ○ 1.3a - Increase student achievement in ELA by 2% every year to attain 6% target ○ 1.3a - maintenance of science proficiency ○ 1.3a - creation and implementation of integrated units ○ 1.3b - an RtI system that is school-wide and systematically monitored <ul style="list-style-type: none"> ■ An academic RtI system ■ A behavioral RtI system ○ 1.3b - a rigorous GT program (WASC) ○ 1.3 - an organized data collection system of formative assessments, summative assessments, and state data used by individual teachers and appropriate groups (ART, RtI, 	<ul style="list-style-type: none"> • Data shows that math is the weaker CCSS core area for our school. ELA proficiency is 87%, Science is 93% and math is 78%. Targeting math, students will be afforded rigorous and tailored math instruction. Instruction delivered with explicit current math best practice strategies, connections to SMPs, and developing a mathematical growth mindset in students, teachers and parents will produce a well balanced math delivery that will ensure student academic success. • By providing a balanced and blending literacy program, students will be provided a well balanced ELA program. Our current ELA proficiency is 87%. With focused data analysis and continued work in this area will increase our proficiency. • By aligning our current Science teachings to NGSS standards, our Science proficiency will increase (SSSI 6) and provide deeper Science understanding of concepts and content. • Interdisciplinary studies increase retention of information, and increased understanding and application of content material. • By implementing a professional development plan that addresses school chosen goals in mathematics, RtI, NGSS, GT and other

Three-Year Academic Plan SY 2019-2020, 2020-2021, 2021-2022

<p>ILT, etc...) to inform present and future curricular and instructional decisions (WASC)</p>	<p>areas of pd need or maintenance, we can ensure growth and success for each student.</p> <ul style="list-style-type: none">• A new, content specific school-wide RtI system will provide early identification and intervention of needs moving students back on track in a timely manner. It will target specific student needs based on performance on our diagnostic assessments, universal screeners and classroom performance. With this system in place, we expect an increase in math proficiency from 74% to 92% (SSSI 6), ELA proficiency from 84% to 96% (SSSI 6), and 3rd Grade Literacy from 85% to 98% (SSSI 4) in three years (end SY 2021-2022).• A new, behavioral school-wide RtI system will provide formal identification and intervention of the behavioral needs of students.• Continuing a rigorous gifted and talented program ensures that identified students needs are met.• Maintenance of 100% Inclusion Rate (SSSI 3) will foster growth in all our students.• Reviewing and analyzing current data benefits students through tailored instruction. It also validates school decision for targeted increased student achievement. Thorough examination of data will help us decrease the ELA gap from 35 percentage points to 17 percentage points (SSSI 7) and decrease the Math gap from 43 percentage points to 21 percentage points (SSSI 7).

2.1a	2020-22 <ul style="list-style-type: none"> Continue to provide relevant opportunities for professional development on updates on curriculum 			
Teachers apply NGSS in their classrooms 2.1.a	2019-20 <ul style="list-style-type: none"> Provide pd as needed on NGSS shifts Provide NGSS embedded template for creation of integrated units 2020-22 <ul style="list-style-type: none"> Continue to provide relevant opportunities for discussion in this area 	Roxanne Yamashiro	WSF	<ul style="list-style-type: none"> Professional development log Faculty meeting notes Walk-throughs STAR Learning Walks Teacher survey/voice Created units
Teachers design and implement integrated units of study to increase relevance, content, and skills in real world applications 2.1a	2019-20 <ul style="list-style-type: none"> Provide a template on integrated curriculum design Provide collab time in the development of units 2020-22 <ul style="list-style-type: none"> Classroom teachers implement one integrated unit to strengthen Math, ELA, and Science/Social Studies Support teachers implement their subject lessons with grade level integrated units in mind 	Stephanie Taira	WSF	<ul style="list-style-type: none"> Professional development log Created units Collaboration notes Walk-throughs STAR Learning Walks Teacher survey/voice
Teachers have a shared understanding of RtI to enable teachers to implement a school-wide RtI program 2.1b	2019-20 <ul style="list-style-type: none"> Provide/practice systemic academic RtI framework/model Create model for behavioral RtI to include data on tardy and absent students 2020-22 <ul style="list-style-type: none"> Continue to implement RtI frameworks 	Alder Taylor	WSF	<ul style="list-style-type: none"> Evidence of RtI in class RtI classroom logs RtI teacher schedule Teacher survey/voice PD agenda and evaluation

Three-Year Academic Plan SY 2019-2020, 2020-2021, 2021-2022

Teachers gain knowledge about GT inclusion 2.1b	2019-20 <ul style="list-style-type: none"> Provide professional development on GT inclusion 2020-22 <ul style="list-style-type: none"> Full GT inclusion 	Laurie Ines	WSF	<ul style="list-style-type: none"> Evidence of GT Inclusion GT meeting notes GT lesson plans Teacher survey/voice PD agenda and evaluation
A program to welcome new teachers and ensure that they have the information and support they need to transition into the staff at Ka'elepulu 2.1d	2019 - 20 <ul style="list-style-type: none"> Continue transition plan for new staff (and refresher for existing staff) to include: <ul style="list-style-type: none"> an assignment of a current staff mentor a handbook that will consist of school discipline procedures, classroom expectations, grading expectations, communication systems, existing programs summaries, etc... a documents folder for all important information/systems in the school 2020-22 <ul style="list-style-type: none"> Review and refine transition plan 	Laurie Ines	Other N/A	<ul style="list-style-type: none"> Documented plan Academic coaching notes Teacher survey/voice
Students perception of positive classroom management will increase, and staff will have a better understanding of our students' voices.	2019-20 <ul style="list-style-type: none"> Investigate root causes of student perceptions, especially in classroom management to address possible gaps in classroom and school behavioral management. Collect data on behavioral interventions, monitoring, and adjusting to inform behavioral RtI system. 	Nicolle Grimes	WSF	<ul style="list-style-type: none"> Collaboration minutes RtI data

Three-Year Academic Plan SY 2019-2020, 2020-2021, 2021-2022

2.1a, 2.1b	2020-22 <ul style="list-style-type: none"> Review and revise above activities 			
Teachers will create/maintain a culture of professional support and trust. 2.1a, 2.1b	2019-22 <ul style="list-style-type: none"> Engage in accountable practices in norms, agreements, assignments, positions, etc... with the support of administration Participate in team building activities to build professional cohesion. 	Laurie Ines	WSF	<ul style="list-style-type: none"> Faculty minutes Collaboration minutes
Teachers will be informed about class, group and school activities to help facilitate student learning and student voice. 2.1b, 2.1d	2019-22 <ul style="list-style-type: none"> Maintain communication systems of <ul style="list-style-type: none"> GAFEs THT Morning Mana‘o Faculty & staff newsletter Website Review/revise/remove any existing communication systems not reaching a majority of appropriate stakeholders. 	Laurie Ines	WSF	<ul style="list-style-type: none"> Google docs, sheets, forms, calendar, etc... THT Morning Mana‘o Ka Leo Website

Three-Year Academic Plan SY 2019-2020, 2020-2021, 2021-2022

Goal 3: Successful Systems of Support. The system and culture of Ka`elepulu works to effectively organize financial, human, and community resources in support of student success.

Outcome: By the end of three years,	Rationale:
<p>Ka`elepulu Elementary School will:</p> <ul style="list-style-type: none">• 3.1 Foster innovation and scaling of effective instructional and operational practices to meet and exceed our educational goals.• 3.2 Secure adequate resources to support school and community-based plans for student success.• 3.3 Increase efficiency and transparency of instructional and operational supports to promote student learning and help schools while stewarding public education resources	<ul style="list-style-type: none">• In order for Ka`elepulu to successfully nurture and grow our students foundational supports must be systemic and adaptable.• 3.2.b and 1.1.3b - Seeking PTSA support in staffing and programs will support student success and foster community (SSSI 2). PTSA currently supports our Art, Music and PE positions. They also contribute to many different programs to support student success. With continued support, Ka`elepulu can offer programs to include the arts leading to a well-rounded student.• 3.1b, 3.3a/b/d - Refining our ART and ILT processes will promote student learning and steward our resources wisely (SSSI 2 and 12). As Ka`elepulu is a small school, teachers sit on several teams (ILT, ART, Collab, etc....). Because teachers have so many responsibilities, some of the systems have been muddled and need to be restored for proper functioning.• 3.3b, 3.3e Creating a School-wide Systems for Data Collection to inform differentiated learning will ensure that all stakeholders have the information they need to make the best decisions for our students. Timely and user-friendly data will support strategic decision-making and accountability for student success.
