THE STRIVE HI SCHOOL PERFORMANCE REPORT is an annual snapshot of a school’s performance on key indicators of student success. This report shows schools’ progress on the Department and Board of Education’s Strategic Plan and federally-required indicators under the Every Student Succeeds Act. These results help inform action for teachers, principals, community members, and other stakeholders.

Our Story
Jarrett Middle School (JMS) is a small learning community that strives to help our students navigate their middle level adolescent years. We understand the emotional, physical, intellectual, and social changes that our students are going through; and we challenge students to reach beyond what they believe is their potential.

JMS strives to provide a robust middle school experience with an elementary-like atmosphere. Our small learning community allows us to really get to know and support our kids. In addition, our community partnerships give our students added experiences beyond the school day. Some of these experiences include before and after school programs and summer opportunities.

Our faculty and students strive to be better than ordinary and are challenged to strive for extra-ordinary. A list of extra-ordinary student and faculty examples are located on our website:
