

Ka'a'awa Elementary

51-296 Kamehameha Highway, Kaaawa, Hawaii | Oahu | Castle-Kahuku Complex Area

THE STRIVE HI SCHOOL PERFORMANCE REPORT is an annual snapshot of a school's performance on key indicators of student success. This report shows schools' progress on the Department and Board of Education's Strategic Plan and federally-required indicators under the Every Student Succeeds Act. These results help inform action for teachers, principals, community members, and other stakeholders.

How are students performing in each subject?

Measures the percent of students meeting the standard/who are proficient on state assessments.

How are students performing compared to others?

Compares the percent of students meeting the standard/who are proficient on state assessments.

How are student subgroups performing?

High Needs: English learners, economically disadvantaged, and students receiving Special Education services. Non-High Needs: All other students.

-- of students learning English are **on-track** to English language proficiency

How are students' academic progress measured?

The Smarter Balanced test shows the relative progress of the average student on state assessments using a Median Growth Percentile (MGP). HSA-Alt & KĀ'EO tests show the percent of students making academic growth each year.

How many 3rd graders read on grade level?

-- of 3rd graders read **near, at, or above** grade level

How many students missed 15 or more days of school this year?

How do students feel about their school?

Measures percent of students reporting positive school climate as measured by the Tripod Student Perception Survey.

73% of students **feel positively** about their school

Ka'a'awa Elementary

51-296 Kamehameha Highway, Kaaawa, Hawaii | Oahu | Castle-Kahuku Complex Area

Our Story

Ka'a'awa Elementary School (KES) was established in 1904 on 3.7 acres donated by Julie Judd Swanzy (Kualoa Ranch) and is located on the windward coast of Oahu in the rural town of Ka'a'awa. KES is one of the smallest schools in the state with only 126 students with only one class for each grade level. KES serves Kindergarten through sixth grade families from Kualoa to Punaluu. KES is a member of the Kahuku Complex and our students, upon promotion to seventh grade, attend Kahuku High and Intermediate School. KES has after-school programs thanks to the 21 Century Grant. And, works with community partners such as Kualoa Ranch and Big Brothers and Big Sisters of Hawaii. KES also has an active School Community Council (SCC) and Parent/Teacher Ohana (PTO).

KES's teachers develop standards-based curricula, employ scientifically proven instructional methods, and have selected Success for All as our primary reading program, Stepping Stones for math in Kindergarten to fifth grade, GoMath for math and Springboard for Language Arts are the curriculum we use in six grade. KES is working on becoming a "Light House" school in The Leader in Me program (TLIM). TLIM has helped students, faculty and staff to be leaders in everyway. Students help run and lead the school. They promote The Seven Habits, at home and at school, make proactive choices and synergize together to come up with win-win situations.

How do you measure how well a school is doing? In our estimation, it's more than scores on high-stakes tests. Schools should show that they are supporting children along the educational pipeline toward college, career, and community readiness. Are our students attending school? Are they graduating? Are they going to college? And how successfully are schools reducing the achievement gap between high-needs and non-high needs students?

The Strive HI Performance System was designed to account for these factors in student success. Initially created in 2013 by a U.S. Department of Education waiver from certain aspects of the former No Child Left Behind Act, Strive HI has been refocused by the goals and priorities of the 2017-2020 Department of Education and Board of Education Strategic Plan, the governing document for the public education system.
