**THE STRIVE HI SCHOOL PERFORMANCE REPORT** is an annual snapshot of a school's performance on key indicators of student success. This report shows schools' progress on the Department and Board of Education's Strategic Plan and federally-required indicators under the Every Student Succeeds Act. These results help inform action for teachers, principals, community members, and other stakeholders.

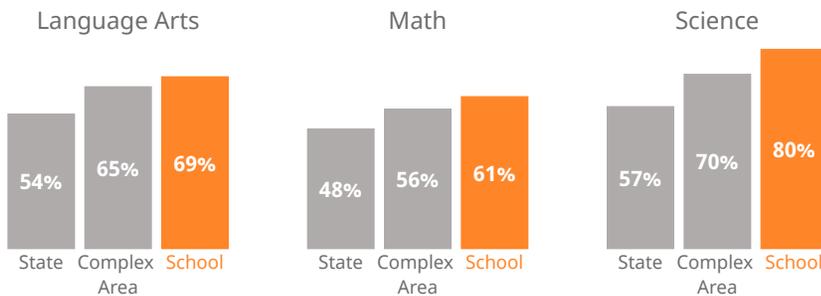

## How are students performing in each subject?

Measures the percent of students meeting the standard/who are proficient on state assessments.

## How are students performing compared to others?

Compares the percent of students meeting the standard/who are proficient on state assessments.

## How are student subgroups performing?

High Needs: English learners, economically disadvantaged, and students receiving Special Education services. Non-High Needs: All other students.

## How are students' academic progress measured?

The Smarter Balanced test shows the relative progress of the average student on state assessments using a Median Growth Percentile (MGP). HSA-Alt & KĀ'EO tests show the percent of students making academic growth each year.

## How many 3rd graders read on grade level?

**81%** of 3rd graders read **near, at, or above** grade level

## How many students missed 15 or more days of school this year?

## How do students feel about their school?

Measures percent of students reporting positive school climate as measured by the Tripod Student Perception Survey.

**77%** of students **feel positively** about their school

How do you measure how well a school is doing? In our estimation, it's more than scores on high-stakes tests. Schools should show that they are supporting children along the educational pipeline toward college, career, and community readiness. Are our students attending school? Are they graduating? Are they going to college? And how successfully are schools reducing the achievement gap between high-needs and non-high needs students?

The Strive HI Performance System was designed to account for these factors in student success. Initially created in 2013 by a U.S. Department of Education waiver from certain aspects of the former No Child Left Behind Act, Strive HI has been refocused by the goals and priorities of the 2017-2020 Department of Education and Board of Education Strategic Plan, the governing document for the public education system.

## Our Story

Kainalu Elementary provides a student-centered learning environment for grades Pre-6. Our focus is on differentiated instruction in small group Guided Reading and Math problem solving skills. Teachers are involved in weekly Professional Learning Communities and review student data to continuously improve on their delivery of instruction and student learning. During this time, our Support Staff teaches Music, STEM Guidance and/or Library to the grade level.

We emphasize the whole child and provide a variety of activities for students and their families to participate in i.e. Winter Program, Pa'ina, Fun Fair, Harvest Day and May Day. We are the only elementary school in the state of Hawaii that participates in Hiki No, a secondary student news show. Our KETC3News provides daily broadcasts to our student community. Our after school programs include Tahitian dancing, Performing Arts, Health and Wellness, Underwater ROVs, Arts, Legos, Martial Arts, etc.

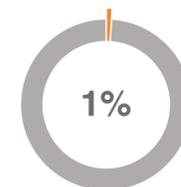

Building capacity and sharing of talents and passion are exhibited through our monthly guest speakers, STEM family nights, and faculty learnings i.e. CPR/AED, Decluttering, Foldscopes, etc. Our PTA and SCC support our endeavors and bring an enthusiastic energy that helps guide our school's academic and financial plans.

## About Our School

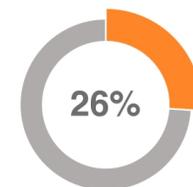

Principal | Sheri Sunabe  
Grades | K-6
