How do you measure how well a school is doing? In our estimation, it’s more than scores on high-stakes tests. Schools should show that they are supporting children along the educational pipeline toward college, career, and community readiness. Are our students attending school? Are they graduating? Are they going to college? And how successfully are schools reducing the achievement gap between high-needs and non-high needs students?

The Strive HI Performance System was designed to account for these factors in student success. Initially created in 2013 by a U.S. Department of Education waiver from certain aspects of the former No Child Left Behind Act, Strive HI has been refocused by the goals and priorities of the 2017-2020 Department of Education and Board of Education Strategic Plan, the governing document for the public education system.

Kohala High

54-3611 Akoni Pule Highway, Kapaau, Hawaii | Hawaii | Honokaa-Kealakehe-Kohala-Konawaena Complex Area

Our Story

Kohala High is committed to providing an engaging, rigorous program for students within a standards-based grading environment.

The school has a strong academic core program and also offers a range of opportunities, including Advancement Placement classes in English Literature, Composition and American History as well as a base of Career and Technical Courses in Building and Construction, Arts and Communication, Culinary Arts, Hotel Operations, Health, Business and Natural Resources. Music and Fine Arts also complement the elective program.

Kohala High hosts an extracurricular program that includes athletics, clubs, and activities that support student growth beyond the classroom. Partnerships with several grant programs and community organizations enrich students’ extracurricular life through programs such as robotics, speech, fine arts, drama, sustainable farming and industrial arts. Students are afforded the opportunity to further challenge themselves by enrolling college courses while in high school.

Tutorial supports are provided after school, evenings and during interim periods. A Summer Bridge program and Freshmen Seminar course assist in the transition for incoming 9th graders.
