The STRIVE HI School Performance Report is an annual snapshot of a school’s performance on key indicators of student success. This report shows schools’ progress on the Department and Board of Education’s Strategic Plan and federally-required indicators under the Every Student Succeeds Act. These results help inform action for teachers, principals, community members, and other stakeholders.

How are students performing in each subject?
Measures the percent of students meeting the standard/who are proficient on state assessments.

<table>
<thead>
<tr>
<th>Subject</th>
<th>2015</th>
<th>2016</th>
<th>2017</th>
</tr>
</thead>
<tbody>
<tr>
<td>Language Arts</td>
<td>37%</td>
<td>25%</td>
<td>23%</td>
</tr>
<tr>
<td>Math</td>
<td>26%</td>
<td>17%</td>
<td>17%</td>
</tr>
<tr>
<td>Science</td>
<td>16%</td>
<td>14%</td>
<td>10%</td>
</tr>
</tbody>
</table>

How are students performing compared to others?
Compares the percent of students meeting the standard/who are proficient on state assessments.

<table>
<thead>
<tr>
<th>Subject</th>
<th>State</th>
<th>Complex Area</th>
<th>School</th>
</tr>
</thead>
<tbody>
<tr>

<td>46%</td>
<td>30%</td>
<td>10%</td>
</tr>
</tbody>
</table>

How are student subgroups performing?
High Needs: English learners, economically disadvantaged, and students receiving Special Education services. Non-High Needs: All other students.

<table>
<thead>
<tr>
<th>Subject</th>
<th>Non-High Needs</th>
<th>High Needs</th>
</tr>
</thead>
<tbody>
<tr>
<td>Language Arts</td>
<td>36%</td>
<td>15%</td>
</tr>
<tr>
<td>Math</td>
<td>25%</td>
<td>12%</td>
</tr>
</tbody>
</table>

Achievement gap:
- Language Arts: 21 points
- Math: 14 points

29% of students learning English are on-track to English language proficiency.

How do students’ progress compare to their peers’?
The Median Growth Percentile (MGP) shows the relative progress of the average student on state assessments. For example, an MGP of 60 means the average student performance was better than 60% of students that scored similarly on previous state assessments.

<table>
<thead>
<tr>
<th>Subject</th>
<th>2016</th>

Run date: September 15, 2017
How do you measure how well a school is doing? In our estimation, it's more than scores on high-stakes tests. Schools should show that they are supporting children along the educational pipeline toward college, career, and community readiness. Are our students attending school? Are they graduating? Are they going to college? And how successfully are schools reducing the achievement gap between high-needs and non-high-needs students?

The Strive HI Performance System was designed to account for these factors in student success. Initially created in 2013 by a U.S. Department of Education waiver from certain aspects of the former No Child Left Behind Act, Strive HI has been refocused by the goals and priorities of the 2017-2020 Department of Education and Board of Education Strategic Plan, the governing document for the public education system. Our Strategic Plan provides a common foundation of expectations and supports for public education, centering on closing the achievement gap to ensure equity and excellence in our schools.

**Lanai High and Elementary**

555 Fraser Avenue, Lanai City, Hawaii | Lanai | Hana-Lahainaluna-Lanai-Molokai Complex Area

---

**Our Story**

Lanai High & Elementary provides an open and welcoming learning environment and serves as a gathering place for students, faculty, support staff and the community.

The school operates on a modified year-round schedule. Elementary students in grades K-2 are taught in self-contained classes. Students in grades 3-4 receive instruction from two teachers, one for language arts and social studies and the other for mathematics and science. The program for grades 6-8 includes exploratory and advisory activities in addition to required core and elective classes. High school students attend three 85-minute classes per day.

The secondary schedule allows students to meet with instructors every other school day for a double period. The longer classes allow teachers to incorporate direct instruction with hands-on application, individualized help, independent research, cooperative learning activities, group work and enrichment opportunities.

The school offers honors and advanced placement language arts classes, online learning options, an off campus work study program and opportunities to attend classes at the University of Hawaii Maui campus on Lanai. The following sports are available for boys and girls: basketball, volleyball, baseball/softball, paddling, tennis, wrestling, cross country, golf and cheerleading.

**The Strategic Plan**

The Strategic Plan describes shared objectives for equity and excellence for every child. To measure progress on the Strategic Plan, we report on key statewide success indicators. These indicators represent the health of public education, focusing on those which have greatest impact on student success, as well as state and federal requirements. They do not comprehensively represent the diverse measures of success valued by our nearly 300 schools. Schools address their unique approach to indicators through their Academic and Financial Plans and charter school contracts. Learn more at http://bit.ly/1WggQrl
