

Mokapu Elementary

1193 Mokapu Blvd. KMCB Bldg., Kailua, Hawaii | Oahu | Kailua-Kalaheo Complex Area

THE STRIVE HI SCHOOL PERFORMANCE REPORT is an annual snapshot of a school's performance on key indicators of student success. This report shows schools' progress on the Department and Board of Education's Strategic Plan and federally-required indicators under the Every Student Succeeds Act. These results help inform action for teachers, principals, community members, and other stakeholders.

How are students performing in each subject?

Measures the percent of students meeting the standard/who are proficient on state assessments.

How are students performing compared to others?

Compares the percent of students meeting the standard/who are proficient on state assessments.

How are student subgroups performing?

High Needs: English learners, economically disadvantaged, and students receiving Special Education services. Non-High Needs: All other students.

64%
of students learning English are **on-track** to English language proficiency

How are students' academic progress measured?

The Smarter Balanced test shows the relative progress of the average student on state assessments using a Median Growth Percentile (MGP). HSA-Alt & KĀ'EO tests show the percent of students making academic growth each year.

How many 3rd graders read on grade level?

86% of 3rd graders read **near, at, or above** grade level

How many students missed 15 or more days of school this year?

How do students feel about their school?

Measures percent of students reporting positive school climate as measured by the Tripod Student Perception Survey.

69% of students **feel positively** about their school

Our Story

Mokapu Elementary School is committed to providing a positive, well-rounded learning environment for all students.

Mokapu Elementary is a PK-6 school of approximately 880 students located on the Mokapu Peninsula, home to Kaneohe Marine Corps Base Hawaii (MCBH). It was built in 1960. Mokapu proudly serves the children of Marine and Navy families. Families typically are assigned to MCBH for a three-year tour of duty, resulting in a high rate of transiency. Mokapu's academic focus provides a rigorous program aligned with the Common Core State Standards.

Our mission is to develop life-long learners and responsible global citizens. Through our vision: "Live M-O-K-A-P-U, Spread A-L-O-H-A", we strive to instill these values with the implementation of our "IMUA" program. We provide a wide array of programs and support services to meet the diverse needs of our students. Mokapu is fortunate to have partnerships with the Navy, the "Anchored for Life" transition program, and Tripler Army Medical Center.

We constantly work on improving our school to prepare students for the 21st century in collaboration with school faculty, students, parents, and the community.

How do you measure how well a school is doing? In our estimation, it's more than scores on high-stakes tests. Schools should show that they are supporting children along the educational pipeline toward college, career, and community readiness. Are our students attending school? Are they graduating? Are they going to college? And how successfully are schools reducing the achievement gap between high-needs and non-high needs students?

The Strive HI Performance System was designed to account for these factors in student success. Initially created in 2013 by a U.S. Department of Education waiver from certain aspects of the former No Child Left Behind Act, Strive HI has been refocused by the goals and priorities of the 2017-2020 Department of Education and Board of Education Strategic Plan, the governing document for the public education system.
