c/o Waimea High School 9707 Tsuchiya Road, Waimea, Hawaii | Niihau | Kapaa-Kauai-Waimea Complex Area

THE STRIVE HI SCHOOL PERFORMANCE REPORT is an annual snapshot of a school's performance on key indicators of student success. This report shows schools' progress on the Department and Board of Education's Strategic Plan and federally-required indicators under the Every Student Succeeds Act. These results help inform action for teachers, principals, community members, and other stakeholders.

How are students performing in each subject?

Measures the percent of students meeting the standard/who are proficient on state assessments.

How are students performing compared to others?

Compares the percent of students meeting the standard/who are proficient on state assessments.

How are student subgroups performing?

High Needs: English learners, economically disadvantaged, and students receiving Special Education services. Non-High Needs: All other students.

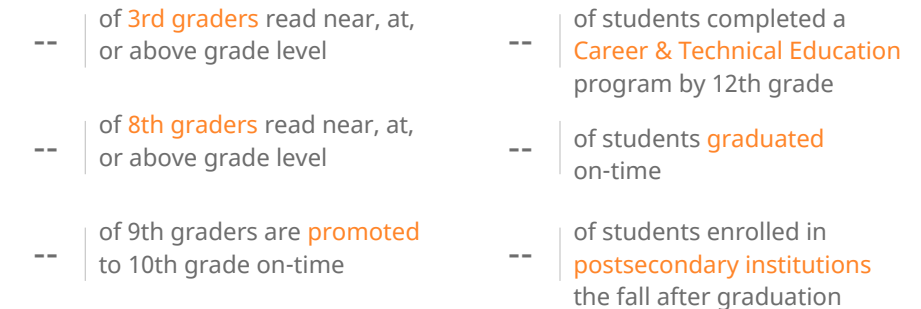

How are students' academic progress measured?

The Smarter Balanced test shows the relative progress of the average student on state assessments using a Median Growth Percentile (MGP). HSA-Alt & KĀ'EO tests show the percent of students making academic growth each year.

How many students are prepared for transition?

How many students missed 15 or more days of school this year?

How do students feel about their school?

Measures percent of students reporting positive school climate as measured by the Tripod Student Perception Survey.

How do you measure how well a school is doing? In our estimation, it's more than scores on high-stakes tests. Schools should show that they are supporting children along the educational pipeline toward college, career, and community readiness. Are our students attending school? Are they graduating? Are they going to college? And how successfully are schools reducing the achievement gap between high-needs and non-high needs students?

The Strive HI Performance System was designed to account for these factors in student success. Initially created in 2013 by a U.S. Department of Education waiver from certain aspects of the former No Child Left Behind Act, Strive HI has been refocused by the goals and priorities of the 2017-2020 Department of Education and Board of Education Strategic Plan, the governing document for the public education system.

Niihau

c/o Waimea High School 9707 Tsuchiya Road, Waimea, Hawaii | Niihau | Kapaa-Kauai-Waimea Complex Area

Our Story

Niihau High and Elementary primary focus is on improving reading and math skills of students.

Elective classes include chorus, drawing and painting, Hawaiian arts and crafts, Hawaiian dance, keyboarding, music appreciation, Polynesian music, ukulele, and a writing workshop. Students at Niihau School excel in the area of fine arts, particularly chorus and ukulele. The expression of the arts is evident in community celebrations such as Family Literacy Day and graduation.

Enrollment at the school fluctuates as children travel to and from Kauai for several weeks at a time.

About Our School

Principal | William Bill Arakaki
Grades | K-12
808-274-3502

9

students enrolled

of students are
English language
learners

of students are
eligible for Free or
Reduced Lunch

of students
receive Special
Education services

of students
