

.....
Specifications for the Class:

CABINET MAKER I

Duties Summary:

Constructs, repairs and remodels a wide variety of high-grade wooden furniture and articles; and performs other related duties as required.

Distinguishing Characteristics:

This is the journeyman level class in the Cabinet Maker series. Positions in this class perform skilled work in constructing, repairing and remodeling high-grade wooden furniture and articles.

Examples of Duties:

Constructs, repairs and alters furniture and articles such as desks, tables, chairs, drawers, book cases, cabinets, window frames and doors; adjusts, sets up and operates wood working hand tools and machines including the shaper, saw, lathe, planer, router, jointer, mortiser, tenoner, molder and gainer; measures, cuts, and shapes parts from stock to proper size, shape and dimensions; cuts, trims and fits joints; assembles parts with glue, dowels, nails and screws; installs hardware such as hinges, catches and drawer pulls; installs window frames and doors; reads blueprints and sketches in laying out work; makes time and material estimates; replaces broken or missing parts with matched woods in repairing furniture; and may assign tasks to other cabinet makers.

Minimum Qualification Requirements:

Training and Experience: A combination of education and experience substantially equivalent to successful completion of apprenticeship training or four years of experience in carpentry work, one of which shall have been in cabinet making or shop working.

Knowledge of: Practices, tools, equipment and materials used in cabinet making; qualities, uses and adaptability of woods and hardware; and occupational hazards and safety precautions of the trade.

Ability to: Set up, adjust and operate woodworking machines; use various hand tools; read, interpret and work from plans, blueprints, sketches and working

drawings; estimate time and material requirements; construct and repair high-grade furniture and fine woodwork; work to close tolerances; and give and follow oral and written instructions.

Health and Physical Condition:

Persons seeking appointment to positions in this class must meet the health and physical condition standards deemed necessary and proper for performance of the duties.

Due to the transfer of authority to the Department of Education to administer its own Civil Service System pursuant to Act 51 Session Laws of Hawaii 2004, this is an adoption of the class specifications and the minimum qualification specifications for the Executive Branch Civil Service class CABINET MAKER I by the Department of Education Civil Service system.
