

.....  
Specifications for the Class:

CABINET MAKER II

Duties Summary:

Supervises and participates in constructing, repairing and remodeling a wide variety of high-grade wooden furniture and articles; and performs other related duties as required.

Distinguishing Characteristics:

This class involves responsibility for supervising and participating in constructing, repairing and remodeling high-grade wooden furniture and articles.

Examples of Duties:

Assigns, supervises and participates in measuring, cutting, shaping, fitting and assembling parts in the construction, repair and remodeling of a variety of high-grade wooden furniture and articles; constructs the more intricately designed furniture and cabinets; sets up, adjusts and operates various woodworking machines including the power saw, wood lathe, planer, router, jointer and mortiser; reads blueprints, sketches and working drawings and lays out work; interprets instructions and prepares sketches of work details; inspects work in progress and upon completion for adherence with plans and instructions; makes time and material estimates; and may assume responsibility for a carpenter shop.

Minimum Qualification Requirements:

Training and Experience: A combination of education and experience substantially equivalent to two years of experience as a journeyman cabinet maker.

Knowledge of: Practices, tools, equipment and materials used in cabinet making; qualities, uses and adaptability of various woods and hardware; occupational hazards and safety precautions of the trade; and principles and practices of supervision.

Ability to: Plan assignments and direct the work of others; set up, adjust and operate wood working machines; use various hand tools; read, interpret and work from plans, blueprints, sketches and working drawings; prepare sketches of work details; estimate labor and material requirements; work to close tolerances; and give and follow oral and written instructions.

Health and Physical Condition:

Persons seeking appointment to positions in this class must meet the health and physical condition standards deemed necessary and proper for performance of the duties.

---

Due to the transfer of authority to the Department of Education to administer its own Civil Service System pursuant to Act 51 Session Laws of Hawaii 2004, this is an adoption of the class specifications and the minimum qualification specifications for the Executive Branch Civil Service class CABINET MAKER II by the Department of Education Civil Service system.
