Minimum Qualification Specifications for the Class:

PLUMBER II

License and Experience Required:

Applicants must possess one of the following:

- 1. A valid State of Hawaii Journey Worker Plumber License **and** one (1) year of work experience as a licensed plumber performing work comparable to a Plumber I in the State service; **or**
- 2. A valid State of Hawaii Master Plumber License.

Quality of Experience:

Possession of the required number of years of experience will not in itself be accepted as proof of qualification for a position. The applicant's overall experience must have been of such scope and level of responsibility as to conclusively demonstrate the ability to perform the duties of the position.

Selective Certification:

Specialized knowledge, skills and abilities may be required to perform the duties of some positions. For such positions, Selective Certification Requirements may be established and certification may be restricted to eligibles who possess the pertinent experience and/or training required to perform the duties of the position.

Organizations requesting selective certification must show the connection between the kind of training/or experience on which they wish to base selective certification and the duties of the position to be filled.

Tests:

Applicants may be required to qualify on an appropriate examination.

Physical and Medical Requirements:

Applicants must be able to perform the essential duties and responsibilities of the position effectively and safely, with or without reasonable accommodation.
