

# HIDOE Athletics

## Paid & Volunteer Coaches

The Hawai'i State Department of Education is committed to continuing athletics for the school year 2022-23. The Hawai'i State Department of Health continues to recommend COVID-19 vaccines, including boosters, for everyone ages 5 years and older. Effective immediately, in order to participate in school-sanctioned athletic activities, paid and volunteer coaches must:

\*Two weeks after final dose of the COVID-19 vaccine primary series.
