

HIDOE Athletics

Student-Athletes

The Hawai'i State Department of Education is committed to continuing athletics for the school year 2022-23. The Hawai'i State Department of Health continues to recommend COVID-19 vaccines, including boosters, for everyone ages 5 years and older. Effective immediately, in order to participate in school-sanctioned athletic activities, student-athletes must:

There will be no medical or religious exemption to these requirements for student voluntary participation in athletics.

Ready to Return. Reconnect. Learn.
