Re: Annual Survey of Private Schools Interested in Participating in Federal Education Grant Programs for School Year 2022-2023

Dear Private School Administrator:

Your cooperation is requested in completing this annual survey. Your responses will indicate if your school intends to participate in federal education grant programs under the Elementary and Secondary Education Act of 1965 (ESEA), as amended by the Every Student Succeeds Act, that will be administered by the Hawaii State Department of Education (Department) for School Year 2022-2023.

The Department will honor a private school's desire for nonparticipation during the year by not sending any literature or notices about ESEA federal education grant programs.

Please complete the attached form and email the completed form to ombudsman@k12.hi.us no later than **Friday, May 13, 2022**. Decisions pertaining to participation in ESEA federal education grant programs will be final as of Friday, May 20, 2022.

If you have any questions regarding any of the federal education grant programs on the enclosed list, please contact the appropriate program manager.

Sincerely,

A handwritten signature in blue ink that reads "Phyllis Unebasami".
