

West Maui Schools Parent and Family Update

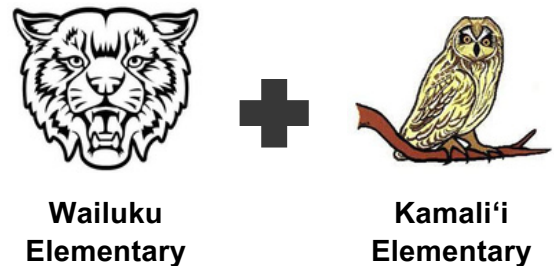

Aug. 29, 2023

Our hearts are with our four Lāhainā school communities including our 3,001 students and 327 staff. We are eager to have our school teams and students gather as school communities as soon as safely possible, and we are committed to providing education in West Maui. We recognize that families have different situations and levels of readiness to return to school campuses. Lāhaināluna High, Lāhainā Intermediate and Princess Nāhi'ena'ena Elementary remain closed to staff, students and volunteers as we await results of environmental testing to be sure that the air, water and soil are safe to return to campus.

The Department has set a tentative reopening date for students to return to these schools after fall break in mid-October. Impacted students still looking for an in-person learning option may temporarily enroll in designated schools in Central and South Maui. Bus transportation is being organized to and from Lāhainā and will start soon.

Grades K-5

King Kamehameha III Elementary and Princess Nāhi'ena'ena Elementary students can temporarily enroll at either **Wailuku Elementary** or **Kamali'i Elementary** in Kīhei.

Grades 6-8

Lāhainā Intermediate students can temporarily enroll at **Lokelani Intermediate** in Kīhei.

Grades 9-12

For Lāhaināluna students, the school will temporarily function as a school within a school at **Kūlanihāko'i High** in Kīhei.

Questions?

Call the hotline (808) 727-6880

Text SUPPORT to (808) 736-1427

M-F, 7:30 a.m. to 4:30 p.m.

For families who have access to stable internet, parents may apply for distance learning at bit.ly/MauiDistanceLearning or, for Hawaiian language immersion distance learning, at bit.ly/SKDLPMaui.
