CHANGE

In the first year, Grade 4 English Language Arts/Literacy (ELA/L) and Grade 8 Mathematics teachers that are part of the Hawai'i Comprehensive Assessment Program (HICAP) will combine their own classroom-based assessments, a shared performance assessment, and a shortened version of the statewide summative assessment to produce student reports in ELA/L and Mathematics.

OWNERSHIP

Be part of a collaborative group of educators that will lead the efforts in supporting each other and sharing best practices and ideas around classroom-based assessments.
