Mr. James Sunday  
Principal  
Admiral Arthur W. Radford High School  
4361 Salt Lake Boulevard  
Honolulu, HI 96818

Dear Mr. Sunday:

The Accrediting Commission for Schools, Western Association of Schools and Colleges (ACS WASC) announces the action taken at the Spring 2017 Commission Meeting. The ACS WASC Commissioners have determined Admiral Arthur W. Radford High School (9 - 12) meets the ACS WASC criteria for accreditation. This accreditation status is based on all of the information provided by the school, including the self-study report, and the satisfactory completion of the on-site accreditation visit.

It is the decision of the Commission to grant Six-Year Accreditation Status through June 30, 2023.

Admiral Arthur W. Radford High School is required to submit a Mid-cycle Progress Report at the end of the third year of the current six-year accreditation cycle. The progress report should demonstrate that the school has:

- Addressed the critical areas for follow-up through the schoolwide action plan;
- Made appropriate progress on the implementation of the schoolwide action plan; and
- Improved student achievement relative to the schoolwide learner outcomes and the academic standards.

Accreditation status is conditioned upon Admiral Arthur W. Radford High School's continued adherence with the ACS WASC policies, procedures, and criteria for accreditation. This includes a requirement that an accredited school annually contribute members from the school staff or district to participate on visiting committees. Failure to maintain compliance with said policies, procedures, and standards is grounds for modification and/or withdrawal of the accreditation.
