

On August 19, 2013¹ the Hawaii Department of Education (Department) released the School Year 2012-13 results of the Strive HI Performance System. This document includes a summary of schools' classification within the 5 Strive HI Steps (Recognition, Continuous Improvement, Focus, Priority, and Superintendent's Zone) and a list of all schools by Classification, Strive HI Index score, and Complex Area.

For more information visit the Strive HI Performance System page on the Department's website, HawaiiPublicSchools.org.

The table below summarizes the characteristics of the schools in each classification, including:

- Total number of schools
- School level (Elementary, Middle, High)
- Title I status (indicating relative level of economic challenge)
- Inclusion in Hawaii's Zones of School Innovation (complex areas with targeted supports for struggling schools)
- Charter School status

	# Schools	Level	Title I Status	Zones of School Innovation	Charter Schools

Note: The classification for Linapuni Elementary (Farrington-Kaiser-Kalani complex area) has not been determined. Because Linapuni is a K-1 school, all but one of the metrics in the Strive HI Index (chronic absenteeism) are not available for the school. The Department is working with the Complex Area Superintendent and principal to identify alternative metrics that would be appropriate for this unique school.
