## Where are we now?

Prioritize school’s needs as identified in one or more of the following needs assessments:

- Comprehensive Needs Assessment (Title I Schools)
- WASC Self Study
  - WASC Category B: Standards Based Student Learning: Curriculum, instruction
  - WASC Category C: Standards Based Student Learning: Instruction
  - WASC Category D: Standards Based Student Learning: Assessment and Accountability

### BASED ON THE NEEDS IDENTIFIED IN THE CNA

1. Need: To improve academic supports for all students in Math, English Language Arts, and Science. (WASC CA #3, #4, #5, #7)
2. Need: To improve student behavior, attendance, and social emotional needs. (WASC CA #6, #9)
3. Need: Strengthen PRKMS Systems to support implementation of HMTSS to ensure that students receive tiered interventions. (WASC CA #4, #6, #7, #8, #9)

### Addressing Equity: Sub-Group Identification

In order to address equity, list the targeted sub group(s) and their identified needs. **Specific enabling activities listed in the academic plan should address identified sub group(s) and their needs.**

#### CSI - Student Achievement for English Learners

In SY 2021-2022 Princess Ruth Keʻelikōlani Middle School (PRKMS) was identified as a Comprehensive Support and Improvement (CSI) School to support Student Achievement for English Learners.

One-Year Academic Plan SY 2023-2024

**Goal 1: Student Success.** All Ke’elikolani MS students demonstrate they are on a path toward success in college, career and citizenship.

- **Objective 1: Empowered** - All students are empowered in their learning to set and achieve their aspirations for the future.
- **Objective 2: Whole Child** - All students are safe, healthy, and supported in school, so that they can engage fully in high-quality educational opportunities.
- **Objective 3: Well Rounded** - All students are offered and engage in rigorous, well rounded education so that students are prepared to be successful in their post-high school goals.
- **Objective 4: Prepared and Resilient** - All students transition successfully throughout their educational experiences.

<tr>
<td>1. 30% of students will test at grade level in reading and 25% in math as indicated by i-Ready diagnostic scores.</td>
<td>Teachers will implement iReady to provide intervention support to increase proficiency in ELA and Math. i-Ready is a research based program that supports students in access grade level material by providing personalized instruction. In addition, research shows that i-Ready Diagnostic is strongly correlated to leading state and national standards.</td>
</tr>
<tr>
<td>2. Increase the percentage of students meeting standards as measured on the SBA Language Arts from 35% (SY 2022) to 42%.</td>
<td>Students’ achievement on high stakes tests (SBA Math and ELA, HSA Science) have been consistently low. There is a need for additional quality support to ensure that these students can succeed in their classes. The Smarter Balanced Assessment (SBA) shows how well students are doing in relation to state content standards in English Language Arts (ELA) and Math. Student ELA proficiency results increased to 35% in SY 21-22 from 24% in SY 21-20. Math proficiency results also increased to 13% in SY 21-22 from 7% in SY 20-21. The Science Hawaii State Assessment (HSA) measures student proficiency in meeting the Next Generation Science Standards (NGSS). In SY 2021-2022 the overall number of students “Meeting” or “Exceeding” the standard in Science increased to 15% from 8% in SY 2020-2021.</td>
</tr>
<tr>
<td>3. Increase the percentage of students meeting standards as measured on the SBA math will increase from 13% (SY 2022) to 25%.</td>

| awareness, sense of belonging, emotion regulation, growth mindset, self-efficacy. (SW1, SW6(i), SW6(ii), SW(iii)(I), SW6(iii)(III)) | At Ke'elikōlani Middle School, there was an increase in the percent of students chronically absent starting in SY 2019-2020 (24%) and nearly doubling in SY 2021-2022 (44%). Currently for SY 2022-2023, chronic absenteeism is at 33%. Due to the importance of student attendance on student achievement, Check and Connect will be implemented in SY 2023-2024 to reduce chronic absenteeism.  

Due to student’s well being, our SEL Program is being implemented to support students’ social and emotional well-being. Panorama Surveys measure student attitudes, mindsets and behaviors all which can be correlated to academic success and achievement. Favorable responses from the Fall 2022 Panorama SEL Survey ranged from 44% - 61% when measuring topics such as self-management, grit, social awareness, sense of belonging, emotion regulation, growth mindset, self-efficacy. Favorable responses on the Winter 2023 Panorama SEL Survey ranged from 42% to 56%. |

In order to address the diverse learner needs at PRKMS, teachers must differentiate their instruction to ensure that all students have equitable access to a rigorous standards-based education. This includes supporting PRKMS’s English Learner population which represents over 40% of the school’s total student population.

Based on the i-Ready Universal Screener for reading and math, a significant amount of students are performing below grade level. By addressing foundational gaps in reading and math students can better access their education and be better prepared for high school and post secondary opportunities.

To cultivate Collective Efficacy, collaboration amongst Administrators, Teachers, Counselors, and support staff is crucial. By developing assessments, monitoring student data, and taking collective action, PRKMS can ensure the needs of all students are being met.
