Academic Plan, School Year 2022-23

Iliahi Elementary

Developing a collaborative Academic Plan framed by the HIDOE Learning Organization is the foundation for a forward focused 3-Year Academic Plan. An effective Academic Plan utilizes existing school resources to improve and/or introduce new ideas that accelerate the school community's knowledge about ending achievement gaps and providing equitable services for all students. A forward focused Academic Plan clearly describes a school's Theory of Action that incorporates the following: 1) analyzing data to explain achievement gaps; 2) incorporating measurable outcomes that inform a school how to close the achievement gap; and, 3) applying contextual and community measurements and assessments.

Starting from a comprehensive needs assessment, schools design measurable outcomes from the study of organizational, instructional, and student support systems. The measurable outcomes are implemented and improved through Plan, Do, Study, Act (PDSA) cycles, and systemized by leading indicators.

HIDOE Learning Organization

Pipeline of Emerging Ideas: To prepare for emerging trends, advancements and changes that impact education, ideas are tried and vetted by our schools and teams, some will advance to support the core.

- The **Pipeline of Emerging Ideas** is linked to the HIDOE 2020-30 Strategic Plan (page 5).

Innovation in Support of the Core: New strategies and systems for delivering teaching and learning. High-Impact strategies: School Design, Teacher Collaboration, Student Voice.

- The 3-Year Academic Plan incorporates School Design and Student Voice for **Innovation in Support of the Core** (pages 3-4).

Teaching & Learning Core: Focus: equity and excellence in core curriculum and supports

- The 3-Year Academic Plan is structured by the HIDOE Learning Organization, and it is founded on the **Teaching & Learning Core** (page 2).

Teaching & Learning Core: Equity and Excellence

In order to address equity, list the targeted subgroup(s) and their identified needs. Specifying [enabling activities](#) in the academic plan should address identified subgroup(s) and their needs.

Achievement Gap	Theory of Action	Enabling Activity
<p><i>Identify and describe an achievement gap including but not limited to Special Education or English Learners or any other sub group. The description must be gathered from a CNA such as Title I, WASC Self Study, International Baccalaureate, and may include additional local measurements.</i></p> <p><u>2021 WASC Recommendations (mid-cycle):</u></p> <p>Self Study Prioritized Areas of Growth Needs #1:</p> <ul style="list-style-type: none"> Continue to monitor and utilize data to make instructional adjustments to increase student achievement particularly those farthest from proficiency. <p>SW 1 SW6</p>	<p><i>What is your Theory of Action (if-then) to improve the achievement gap?</i></p> <p>If the Response to Intervention for ELA and Math (using iReady) as well as working with individual students/small groups on their needs is implemented with fidelity, then students will receive tiered instruction and assessment practices will be improved and therefore increase student achievement</p>	<p><i>What are your Enabling Activities to improve the achievement gap?</i></p> <p>Student Success</p> <ol style="list-style-type: none"> K-5 students receive tiered instruction for ELA <ol style="list-style-type: none"> K-3 Pull-Out for Tier 3 ELL students Pull-Out K-5 students improve universal screening scores Continue to improve, repair, replace and maintain technology equipment/programs to meet the changing systems requirements. <p>Staff Success (SW 6)</p> <ol style="list-style-type: none"> Teachers will work on obtaining Sheltered Instruction certification. Coordinate RTI schoolwide instructional block for ELA as measured by schedule and walkthrough: <ul style="list-style-type: none"> Gr K- 8:10-8:35 am M-R Gr 1- 8:40-9:05 am M-R Gr 2- 9:10-9:25 am M-R Gr 3- 10:00-11:25 am M-R Gr 4- 10:15-10:40 am M-R Gr 5- 10:15-10:40 am M-R Coordinate RTI school-wide instructional block for Math as measured by schedule and walkthrough: <ul style="list-style-type: none"> Gr K- 10:05-10:35 am M-R

quarterly

		<ul style="list-style-type: none"> ○ Gr 1- 10:35-11:00 am M-R ○ Gr 2- 11:00-11:25 am M-R ○ Gr 3- 8:15-9:00 am M-R ○ Gr 4- 8:10-8:35 am M-R ○ Gr 5- 8:10-8:35 am M-R
<p>Self Study Prioritized Areas of Growth Needs #2:</p> <ul style="list-style-type: none"> •Improve the efficacy of professional development by ensuring that implementation of PD is done with fidelity and that student achievement outcomes are tracked and linked to specific PD topics. <p>SW 1 SW 6</p>	<p>If teachers are provided professional development opportunities to better their instructional practices then students will be able to meet determined measures of success.</p>	<p>Student Success</p> <ol style="list-style-type: none"> 1. Students will receive more meaningful instruction and be more engaged as measured by walkthroughs and perceptual surveys. <p>Staff Success</p> <ol style="list-style-type: none"> 1. Provide professional development for faculty and staff which will enable them to use 21st Century skills and understanding in their teaching content and instruction and for student learning <ul style="list-style-type: none"> ○ Workshops/ webinars / tutorials/ modeling ○ SEL, NGSS, CCSS, Google, HCSSS (C3), computer science, Reading foundation, writing, literacy skills, thinking maps and High Impact Teaching Strategies ○ Sharing relevant articles, connecting with other teachers to share successes.
<p>Self Study Prioritized Areas of Growth Needs #3:</p> <ul style="list-style-type: none"> •Develop a common understanding of the expectations for academic standards, standards-based grading and measuring the GLOs consistency across grade levels vertically. <p>SW 1 SW 6</p>	<p>If teachers are provided more opportunities to collaborate, collect and analyze data, then grade levels will have a better understanding of the grade level standards across grade levels.</p>	<p>Student Success</p> <ol style="list-style-type: none"> 1. Students will be able to articulate the learning target/standard as evidenced by classroom walk-throughs. 2. Students will be able to demonstrate GLO #1-6 as evidenced by student work, teacher observation, walk through and/or LDS. <p>Staff Success</p> <ol style="list-style-type: none"> 1. Provide collaboration opportunities to horizontally and vertically align standards, grading, instructional practices, and GLOs as evidenced by grade level meeting minutes and communities meeting minutes.

quarterly

<p>Self Study Prioritized Areas of Growth Needs #4</p> <ul style="list-style-type: none"> •Increase the rigor by providing more opportunities for students to engage in higher-level thinking and questioning skills to meet the expectations of all standards and the SBA. <p>SW 1 SW 6</p>	<p>If teachers provide more opportunities to foster higher levels of questioning, then students will be able to demonstrate their flexibility in their thinking.</p>	<p>Student Success</p> <ol style="list-style-type: none"> 1. Students will be able to demonstrate their critical thinking through Engineering Design Projects and or STEAM activities. 2. Students will be able to ask and answer higher levels of questioning as measured by walkthroughs and/or student work. <p>Staff Success</p> <ol style="list-style-type: none"> 1. Provide time to grade level to collaborate to make instructional adjustments in their curriculum to improve student achievement as measured by Articulation minutes, Wednesday meeting schedule, Curriculum maps/pacing guides, unit plans, and walkthroughs.

Innovation in Support of the Core: School Design and Student Voice

Describe here your complex/school contexts for School Design and Student Voice.

Describe here your current and continuing initiatives that will further advance your 2020-21 School Design and Student Voice.

Describe here your Conditions for Success for School Design and Student Voice.

<p>SY 2020-21 Measurable Outcomes</p>	<p>SY 2021-22 Measurable Outcomes</p>	<p>SY 2022-23 Measurable Outcomes</p>
---	---	---

What are your [Measurable Outcomes](#) around School Design and Student Voice? What are you designing?

(SW 1, SW 6)

1. All students will receive Rtl tiered instruction for ELA and Math. Instructional groups will be adjusted based on universal screening at the beginning of the 1st semester.
2. The percentage of students in grades K-5 will be at Tier 1 as measured by **iReady Diagnostic** (using EOY view)

Math

- a. MOY - 50%
- b. EOY - 70%

Reading

- c. MOY - 50%
- d. EOY - 75%

3. The percentage of students grades K-5 will meet their **typical growth goals** in **iReady** (using EOY view)

Math:

- a. MOY: 40%
- b. EOY: 60%

Reading:

- c. MOY: 40%
- d. EOY: 60%

4. 100% of 3rd, 4th, and 5th grade students not meeting grade level benchmark in reading/math will have the opportunity to use the computer lab either before or after school
5. 100% of students who qualify for the summer Kindergarten preparatory session will be offered an opportunity to participate.
6. The percentage of students in grades K-5 will meet their **DIBELS** benchmark goals:

Grade K PSF

- a. MOY: 70% Core

Pipeline of Emerging Ideas: Pilot Projects and Design Thinking

When HIDEOE references innovation and emerging ideas, the Department is responding to important mindsets that embrace new ideas, replace dated practices, and strive for better solutions. Therefore, the Learning Organization must be prepared to uphold innovative learning environments that elevate a school's collective work, expand capacity to improve, and continuously advance student learning.

quarterly

As the HIDOE 2030 Promise Plan is finalized, a “Forward Focused” Plan will be drafted to help school communities open conversations about the *Pipeline of Emerging Ideas*.

School Ideas for Innovation and Pilot Projects	Conditions for Success
<p><i>While referencing the “Forward Focused” Plan, please describe your school’s ideas around innovation and pilot projects. Your draft will be a valuable tool to collect feedback and solicit support from the Complex Area Superintendent, parents, students, and community stakeholders.</i></p> <p>Equity, Excellence & Innovation 10-year Action Plan, Dr. Kishimoto Draft 2030 Promise Plan</p> <ul style="list-style-type: none">• Leverage technology to provide students with industry-driven learning innovations where they design, iterate and collaborate as learners.• Our classrooms and campuses reflect a respectful, safe, state-of-the-art learning environment.	<p><i>Please describe your Conditions for Success:</i></p> <p>To air condition all classrooms to improve the learning environment to increase student success. Currently, 4/30 classrooms are air conditioned.</p> <p>Once classrooms are air conditioned, the labs will become learning centers designed for Learning Commons.</p> <p>Create a transition center for new students as well as departing students.</p> <p>Create a yearly technology equipment plan to supplement and maintain technology access for all students.</p> <p>By redesigning computer labs into Learning Commons for innovation, students will have opportunities to study, research, collaborate through business, community and educational partnerships.</p>
