

2020 Academic Plan, School Year 2021-22

School:

Developing a collaborative Academic Plan framed by the HIDOE Learning Organization is the foundation for a forward focused Academic Plan. An effective Academic Plan utilizes existing school resources to improve and/or introduce new ideas that accelerate the school community's knowledge about ending achievement gaps and providing equitable services for all students. A forward focused Academic Plan clearly describes a school's Theory of Action that incorporates the following: 1) analyzing data to explain achievement gaps; 2) incorporating measurable outcomes that inform a school how to close an achievement gap; and 3) applying contextual and community measurements and assessments.

Starting from a comprehensive needs assessment, schools design measurable outcomes from the study of organizational, instructional, and student support systems. The measurable outcomes are implemented and improved through Plan, Do, Check, Act (PDCA) cycles and systemized by leading indicators.

HIDOE Learning Organization

Pipeline of Emerging Ideas: To prepare for emerging trends, advancements and changes that impact education, ideas are tried and vetted by our schools and teams, some will advance to support the core.

- The Pipeline of Emerging Ideas is linked to the HIDOE 2020-30 Strategic Plan (page 5).

Innovation in Support of the Core: New strategies and systems for delivering teaching and learning. High-Impact strategies: School Design, Teacher Collaboration, Student Voice.

- The Academic Plan incorporates School Design and Student Voice for Innovation in Support of the Core (pages 3-4).

Teaching & Learning Core: Focus: equity and excellence in core curriculum and supports.

- The Academic Plan is structured by the HIDOE Learning Organization, and it is founded on the Teaching & Learning Core (page 2).

Principal (print): <i>Deann Cervantes</i>	
Principal's signature: <i>[Signature]</i>	Date: <i>03/14/2021</i>
Complex Area Superintendent (print):	
Complex Area Superintendent's signature: <i>Chick. [Signature]</i>	Date: <i>5/5/21</i>

Teaching & Learning Core: Equity and Excellence

In order to address equity, list the targeted subgroup(s) and their identified needs. Specifying [enabling activities](#) in the academic plan should address identified subgroup(s) and their needs.

Achievement Gap	Theory of Action	Enabling Activity
-----------------	------------------	-------------------

<p><i>Identify and describe an achievement gap including but not limited to Special Education or English Learners or any other sub group. The description must be gathered from a comprehensive needs assessment (CNA), such as Title I CNA, WASC Self Study, International Baccalaureate, and may include additional local measurements.</i></p> <ol style="list-style-type: none"> 1. Create opportunities for students to engage in design thinking collaboratives. 2. Hold an annual student-led design thinking modeling exhibition. 3. Engage student councils in identifying ways to integrate Nā Hopena A'o into student-led actions. 4. Include student presentations at annual Leadership Symposium to help focus on student impact. 5. Include student input on statewide Social-Emotional-Learning (SEL) framework. 6. Increase student choice in the classroom and school — courses, assignments, projects, space utilization. 7. Engage students in peer feedback processes for student learning. 8. Increase applied learning opportunities in the school and community; encourage creativity and innovation. 9. Fund opportunities for students to tell our great public education story by highlighting their authentic work. 10. Structure opportunities for students to bring community languages and culture into school <ol style="list-style-type: none"> 1. Chronic absentee has consistently gone up in percentage over the past four years with 2018-19 ending at 34%. 2. ELA over the past 4 years has wavered between 45-39% on the SBA exam and is stagnate. 3. With math SBA we have seen both growth and reduction over the past four years with last year's results being at 26% proficient. 4. Science over the past two years were stagnant from 2017-18 and a double digit gain in 2019 to 27%. 5. Algebra 1 was a single class baseline was 18% last year and this year 13% with a full line. 6. Our GAP rates are a need as they have ranged between ELA 32% and Math 22% in 2017 to ELA 18% 	<p>What is your Theory of Action (if-then) to improve the achievement gap? If Keaau High focuses on making sure teachers are teaching in their qualified areas and we focus attention on the SEL of students which includes tutoring, emphasis on testing, creating PD using data, create clarity with our subject matter and focus on formative data with improve PLC strategies and vertical/horizontal alignment we should see improvements in our academics when we test on SBAC, EOC, WIDA, Achieve and AP exams. We should also see a decrease in the chronic absenteeism as the students will be engaged in the learning. Implementing the initiatives in the CLSD - KKP complex grant will contribute to decreasing the achievement gap by improving literacy across all content areas.</p> <ol style="list-style-type: none"> 1. Making sure the teachers are teaching the contents they are best qualified for with students in mind. (2,3,4,5,6) 2. SEL of students (1,6) 3. Tutoring for all students (2,3,4,5,6) 4. All stakeholders buy in with the same voice with non-academic teachers being supportive of the testing subjects (2,3,4,5,6) 5. Re look at how to utilize our PD days. Look at curriculum being utilized(2,3,4, 5,6) 6. Clarity with subject matter needed for our classes. (2,3,4,5,6) 7. Need to improve the literacy rate for all students.(2,3,4,5,6) 8. Focus on attendance at school (1,2,3,4,5,6) 9. Improve the PLC process (2,3,4,5,6) 10. Horizontal and vertical alignment for all contents (2,3,4,5,6) (Tie in the initiatives.) revisit 11. Minimize teachers being pulled out(1,2,3,4, 5,6) 12. Prioritize academics over extra curricular (1,2) 13. Revisit PPT and EA resources(2,6) 14. Implement school-wide strategies to improve student literacy in all content areas. 15. Identify students for enrollment in a targeted reading intervention program. 16. Family and community engagement will be emphasised 	<p><i>What are your Enabling Activities to improve the achievement gap?</i></p> <ol style="list-style-type: none"> 1. 100% of teaching lines will be done through a designated leadership team process. 2. Increase the number of teachers trained in TSS and PD to all faculty. TSS trained teachers will follow KHS PD protocol. 3. Ensure equal access to students requesting tutoring programs on campus by communicating program hours and availability. 4. 100% of faculty will promote a positive testing culture. Suggested ways to do this are as follows: <ol style="list-style-type: none"> a. a faculty group will be formed to develop and implement ways to create a positive test culture (positive posters, positive incentives, promote test dates, test prep, test related skills. etc.) and create a school environment that is conducive to testing. 5. The Executive Committee will review our comprehensive needs assessment and plan at least 80% of the 21-Hours and opening school year PD as recommended by administration. 6. Bring in training and provide time for teachers to look at understanding and creating Power Standards. 7. Target those students with “approaching “reading levels to be scheduled into a reading workshop class. 8. Attendance Team to collect, and analyze school wide and student data. Counselors to utilize LDS, IC, EWS systems to monitor and implement interventions to decrease chronic absenteeism rate. 9. PLC Cadre will establish PD to improve the PLC protocols for more efficient and effective use of PLC time. 10. Designate a 21 hour for curriculum alignment PD and one meeting per quarter for continued work. 11. Offer alternative options such as stipend days or

Innovation in Support of the Core: School Design and Student Voice

Describe here your complex/school contexts for School Design and Student Voice

We create a pathway school that allows the students choice in their future. Offering 8 classes a year allows the students to experience electives that assist them in being well rounded and choose pathways that explore needs for college and career fields post high school.

Describe here your current and continuing initiatives that will further advance your 2020-21 School Design and Student Voice.

Our faculty are in the midst of Professional Development on Hattie with power standards to focus on what our PLC format will focus on with data collection. Along with this we have PD on TSS to assist in what we need to do in the classroom for our community needs.

Describe here your Conditions for Success for School Design and Student Voice

The leadership sends small groups to National Conferences to learn more and keep up to date on PLC practices and TSS strategies. These selected members join a committee of teachers that plan out our 21 hours so they can educate the full faculty on best practices for both areas. This will strengthen our School Design and allow us to open up to Student Voice.

SY 2020-21 Measurable Outcomes	SY 2021-22 Measurable Outcomes	SY 2022-23 Measurable Outcomes
<p>What are your Measurable Outcomes around School Design and Student Voice? Pipeline of Emerging Ideas: Pilot Projects and Design Thinking

When HDOE references innovation and emerging ideas, the Department is responding to important mindsets that embrace new ideas, replace dated practices, and strive for better solutions. Therefore, the Learning Organization must be prepared to uphold innovative learning environments that elevate a school’s collective work, expand capacity to improve, and continuously advance student learning.

The HDOE 2030 Promise Plan will be drafted to help school communities open conversations about the *Pipeline of Emerging Ideas*.

School Ideas for Innovation and Pilot Projects	Conditions for Success
<p><i>Please describe your school's ideas around innovation and pilot projects.</i></p> <p>SY20-21 Keaau High School will be starting a 10th grade ALC program.</p> <p>Continue to revise the Ulupono project to better support the students.</p> <p>Add an ELL summer program for those students struggling with exiting.</p>	<p><i>Please describe your conditions for Success:</i></p> <p>Making sure there is a good fit for the students with the teacher in the classroom and splitting the grad levels between the two ALC programs.</p> <p>Create elective classes and Acellus classes to assist the students that struggle going outside the programs structure.</p> <p>Coordination needs to meet the needs of the students selected for the opportunity to advance the academics in the exit testing.</p>
