REFERENCE: Section 302A-620, HRS

ACTION REQUESTED: Even-numbered years’ report on the classification/compensation plan and related cost.

DOE REPORT:
Introduction
The Educational Officer (EO) Classification/Compensation Appeals Board was established within the Department for administrative purposes. This board’s mandate was to receive pricing appeals and make decisions, acting as an appellate body, affecting EOs relating to the Department’s classification/compensation plan. The composition of the Board is made up of three members: (1) the chair appointed by the governor, (2) a member appointed by the Board of Education, and (3) a member appointed by the exclusive bargaining unit for educational officers.

Based on the revised statues, the board meets every even-numbered year on a quarterly basis as needed to receive appeals.

FINDINGS:
The Appeals board last met during School Year 1994 to hear an appeal from an educational officer group. Since 1994, there have been no appeals filed.

RECOMMENDATIONS:
Classification and compensation issues and concerns for educational officers have been handled through the normal collective bargaining process.
