**THE STRIVE HI SCHOOL PERFORMANCE REPORT** is an annual snapshot of a school's performance on key indicators of student success. This report shows schools' progress on the Department and Board of Education's Strategic Plan and federally-required indicators under the Every Student Succeeds Act. These results help inform action for teachers, principals, community members, and other stakeholders.

## How are students performing in each subject?

Measures the percent of students meeting the standard/who are proficient on state assessments.

## How are students performing compared to others?

Compares the percent of students meeting the standard/who are proficient on state assessments.

## How are student subgroups performing?

High Needs: English learners, economically disadvantaged, and students receiving Special Education services. Non-High Needs: All other students.

# 74%

of students learning English are **on-track** to English language proficiency

## How are students' academic progress measured?

The Smarter Balanced test shows the relative progress of the average student on state assessments using a Median Growth Percentile (MGP). HSA-Alt & KĀ'EO tests show the percent of students making academic growth each year.

## How many 3rd graders read on grade level?

**61%** of 3rd graders read **near, at, or above** grade level

## How many students missed 15 or more days of school this year?

## How do students feel about their school?

Measures percent of students reporting positive school climate as measured by the Tripod Student Perception Survey.

**66%** of students **feel positively** about their school

## Our Story

Ewa Elementary School is committed to Kaizen, continuous improvement, to support student learning and high achievement for all of our students.

In Spring 2017, the Accrediting Commission for Schools, Western Association of Status.

Ewa Elementary School is one of the oldest schools in the Leeward District, with our roots dating back to 1882. The values of the “Ewa Way” are rooted in community traditions of Ewa’s “Plantation Days.” The culture of the Plantation Days embraced the sense of family/community, teamwork, responsibility to each other, and hard work. Based on enrollment, Ewa Elementary is the third largest elementary school in the state.

In 1944, a statue of Abraham Lincoln, a gift to the school, was unveiled. Every year we look forward to celebrating the beliefs and values of Abraham Lincoln at our annual Lincoln Day Program.

Ewa School supports well-rounded education beyond reading and math that includes robotics, sports, service clubs and student performances. To be well equipped with 21st Century skills, students utilize electronic devices within their daily instruction.

How do you measure how well a school is doing? In our estimation, it's more than scores on high-stakes tests. Schools should show that they are supporting children along the educational pipeline toward college, career, and community readiness. Are our students attending school? Are they graduating? Are they going to college? And how successfully are schools reducing the achievement gap between high-needs and non-high needs students?

The Strive HI Performance System was designed to account for these factors in student success. Initially created in 2013 by a U.S. Department of Education waiver from certain aspects of the former No Child Left Behind Act, Strive HI has been refocused by the goals and priorities of the 2017-2020 Department of Education and Board of Education Strategic Plan, the governing document for the public education system.
