**THE STRIVE HI SCHOOL PERFORMANCE REPORT** is an annual snapshot of a school's performance on key indicators of student success. This report shows schools' progress on the Department and Board of Education's Strategic Plan and federally-required indicators under the Every Student Succeeds Act. These results help inform action for teachers, principals, community members, and other stakeholders.

## How are students performing in each subject?

Measures the percent of students meeting the standard/who are proficient on state assessments.

## How are students performing compared to others?

Compares the percent of students meeting the standard/who are proficient on state assessments.

## How are student subgroups performing?

High Needs: English learners, economically disadvantaged, and students receiving Special Education services. Non-High Needs: All other students.

# 69%

of students learning English are **on-track** to English language proficiency

## How are students' academic progress measured?

The Smarter Balanced test shows the relative progress of the average student on state assessments using a Median Growth Percentile (MGP). HSA-Alt & KĀ'EO tests show the percent of students making academic growth each year.

## How many 3rd graders read on grade level?

**85%** of 3rd graders read **near, at, or above** grade level

## How many students missed 15 or more days of school this year?

## How do students feel about their school?

Measures percent of students reporting positive school climate as measured by the Tripod Student Perception Survey.

**79%** of students **feel positively** about their school

How do you measure how well a school is doing? In our estimation, it's more than scores on high-stakes tests. Schools should show that they are supporting children along the educational pipeline toward college, career, and community readiness. Are our students attending school? Are they graduating? Are they going to college? And how successfully are schools reducing the achievement gap between high-needs and non-high needs students?

The Strive HI Performance System was designed to account for these factors in student success. Initially created in 2013 by a U.S. Department of Education waiver from certain aspects of the former No Child Left Behind Act, Strive HI has been refocused by the goals and priorities of the 2017-2020 Department of Education and Board of Education Strategic Plan, the governing document for the public education system.

## Our Story

potential.

As a Title I and military impacted school, Helemano Elementary receives additional funding from the federal government and the Joint Venture Education Forum. The school offers supplemental programs that support the achievement of English language learners and special education students, and subsidizes a summer preschool program for incoming kindergarteners.

Helemano Elementary sponsors a wide range of extracurricular activities such as student council, Junior Police Officers, cross-country, volleyball, basketball, track, robotics, ukulele and choir. The school provides a variety of parent involvement activities, and has a transition center that provides information and a tour for new students and families.

The School Community Council and Parent Teacher Organization actively support educational programs and activities. Helemano Elementary has two military partners, the 2nd battalion 35th infantry (Army) and NCTAMS (Navy), who are active participants in the school.

## About Our School

Principal | Ernest Muh  
Grades | K-5  
808-622-6336

552

students enrolled

of students are English language learners

of students are eligible for Free or Reduced Lunch

of students receive Special Education services

of students receiving Special Education services are in general education classes most of the day
