

Ka'elepulu Elementary

530 Keolu Drive, Kailua, Hawaii | Oahu | Kailua-Kalaheo Complex Area

THE STRIVE HI SCHOOL PERFORMANCE REPORT is an annual snapshot of a school's performance on key indicators of student success. This report shows schools' progress on the Department and Board of Education's Strategic Plan and federally-required indicators under the Every Student Succeeds Act. These results help inform action for teachers, principals, community members, and other stakeholders.

How are students performing in each subject?

Measures the percent of students meeting the standard/who are proficient on state assessments.

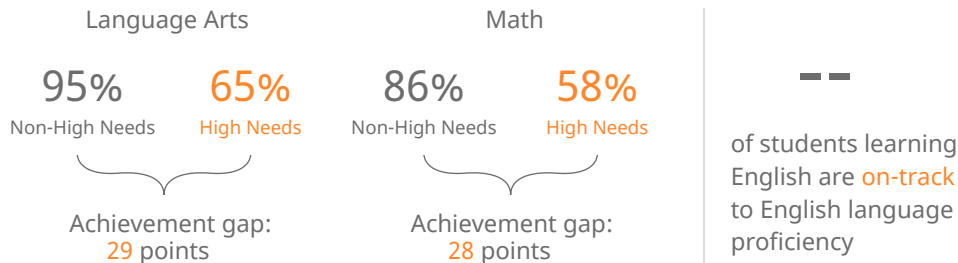

How are students performing compared to others?

Compares the percent of students meeting the standard/who are proficient on state assessments.

How are student subgroups performing?

High Needs: English learners, economically disadvantaged, and students receiving Special Education services. Non-High Needs: All other students.

How are students' academic progress measured?

The Smarter Balanced test shows the relative progress of the average student on state assessments using a Median Growth Percentile (MGP). HSA-Alt & KĀ'EO tests show the percent of students making academic growth each year.

How many 3rd graders read on grade level?

96% of 3rd graders read **near, at, or above** grade level

How many students missed 15 or more days of school this year?

How do students feel about their school?

Measures percent of students reporting positive school climate as measured by the Tripod Student Perception Survey.

87% of students **feel positively** about their school

Our Story

Ka'elepulu School provides a caring, nurturing, and positive learning environment for approximately 200 students. All school community members collaborate to support each other in learning, developing, and striving for excellence to help students achieve mental, physical, and philosophical goals.

The Habits of Mind are incorporated as the basis for fostering creativity and higher-level thinking skills in the classroom and is integrated with Philosophy for Children (p4c), which promotes an intellectually safe, inquiry-rich learning environment to enhance and foster mindful thought and action. It culminates in #ThinkLikeALadybug quarterly p4c Community Days, partnering with Kailua High School's Philo-Surfers (PIR interns) to facilitate days of inquiry.

Social Emotional Learning (SEL) is integral to our whole-child concept and we implement Choose Love K-6 to emphasize the inclusion of all students as a community. We teach behaviors that foster respect and caring for everyone through the tenets of: courage, gratitude, forgiveness, and compassion in action, to make connections to understand impulse control, problem solving, anger management and how the brain works through these. We integrate this with our organized play for safe, smooth transitions between recess and instruction. The school has embraced the expectations to Be Safe, Be Responsible, Be Respectful, and Be Ready to Learn.

How do you measure how well a school is doing? In our estimation, it's more than scores on high-stakes tests. Schools should show that they are supporting children along the educational pipeline toward college, career, and community readiness. Are our students attending school? Are they graduating? Are they going to college? And how successfully are schools reducing the achievement gap between high-needs and non-high needs students?

The Strive HI Performance System was designed to account for these factors in student success. Initially created in 2013 by a U.S. Department of Education waiver from certain aspects of the former No Child Left Behind Act, Strive HI has been refocused by the goals and priorities of the 2017-2020 Department of Education and Board of Education Strategic Plan, the governing document for the public education system.
