

Kaimuki High

2705 Kaimuki Avenue, Honolulu, Hawaii | Oahu | Kaimuki-McKinley-Roosevelt Complex Area

THE STRIVE HI SCHOOL PERFORMANCE REPORT is an annual snapshot of a school's performance on key indicators of student success. This report shows schools' progress on the Department and Board of Education's Strategic Plan and federally-required indicators under the Every Student Succeeds Act. These results help inform action for teachers, principals, community members, and other stakeholders.

How are students performing in each subject?

Measures the percent of students meeting the standard/who are proficient on state assessments.

How are students performing compared to others?

Compares the percent of students meeting the standard/who are proficient on state assessments.

How are student subgroups performing?

High Needs: English learners, economically disadvantaged, and students receiving Special Education services. Non-High Needs: All other students.

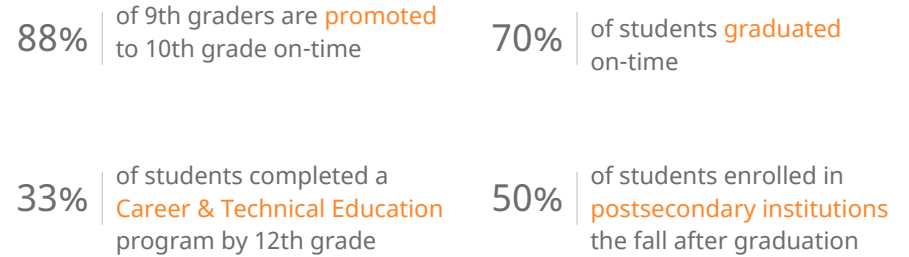

11%

of students learning English are **on-track** to English language proficiency

How many students are prepared for transition?

How many students missed 15 or more days of school this year?

How do students feel about their school?

Measures percent of students reporting positive school climate as measured by the Tripod Student Perception Survey.

78%

 of students **feel positively** about their school

Our Story

Kaimuki High School (KHS) provides a student-centered learning environment aimed at preparing students for college, career, and life through project based learning (PBL). Two major features at KHS are Academies and Early College.

Academies are smaller learning communities where all students and teachers are grouped based on interest. Students within an academy see the same core (math, English, science, and social studies) teachers. Electives within the academy are based on the academy's focus. KHS has established five academies that include Freshman Academy, Hospitality Academy (Culinary Arts and Hotel Operations), Entertainment Academy (Polynesian Music, Digital Media, and Theater Arts), Bulldog Academy (CBI Mathematics).

Early College (EC) allows for high school students to earn college credits while still in high school. Our on-campus EC program, Kaimuki to College (K2C), provides all KHS students, particularly disadvantaged students, with equitable access to college courses. K2C students are provided the necessary supports to help ensure that they are successful in these EC courses. As KHS students mature, they have the option of taking EC courses off campus at Kapiolani Community College and the University of Hawaii at Manoa. KHS's EC program boasts over 900 credits earned during one school year.

How do you measure how well a school is doing? In our estimation, it's more than scores on high-stakes tests. Schools should show that they are supporting children along the educational pipeline toward college, career, and community readiness. Are our students attending school? Are they graduating? Are they going to college? And how successfully are schools reducing the achievement gap between high-needs and non-high needs students?

The Strive HI Performance System was designed to account for these factors in student success. Initially created in 2013 by a U.S. Department of Education waiver from certain aspects of the former No Child Left Behind Act, Strive HI has been refocused by the goals and priorities of the 2017-2020 Department of Education and Board of Education Strategic Plan, the governing document for the public education system.
