THE STRIVE HI SCHOOL PERFORMANCE REPORT is an annual snapshot of a school's performance on key indicators of student success. This report shows schools' progress on the Department and Board of Education's Strategic Plan and federally-required indicators under the Every Student Succeeds Act. These results help inform action for teachers, principals, community members, and other stakeholders.

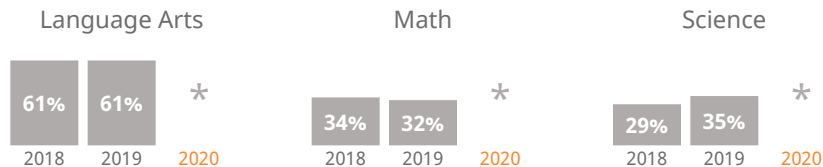

*** IMPORTANT:** Due to COVID-19, Hawaii public schools were waived from statewide testing by the U.S. Department of Education. As a result, a number of test-derived results are not available for 2020. Therefore (1) school proficiency rates along with complex area and state proficiency averages, (2) achievement gaps, (3) academic growth, and (4) third and eighth grade literacy are not reported.

**** 2020 chronic absenteeism** is based on absences only through the end of the third quarter (3/13/20). As such, the rate is not directly comparable with 2019 or 2018 which was based on absences through May 1 of each school year.

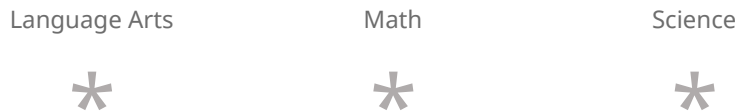

How are students performing in each subject?

Measures the percent of students meeting the standard/who are proficient on state assessments.

How are students performing compared to others?

Compares the percent of students meeting the standard/who are proficient on state assessments.

How are student subgroups performing?

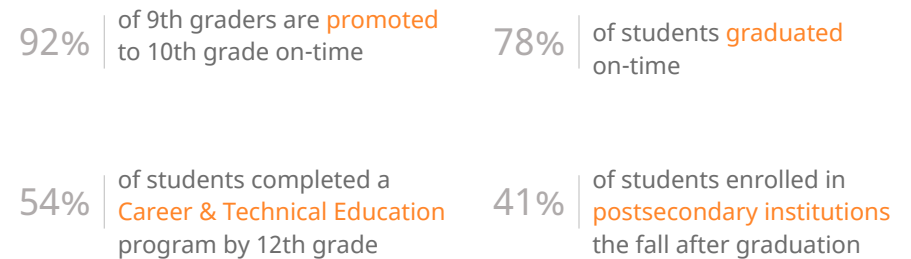

High Needs: English learners, economically disadvantaged, and students receiving Special Education services. Non-High Needs: All other students.

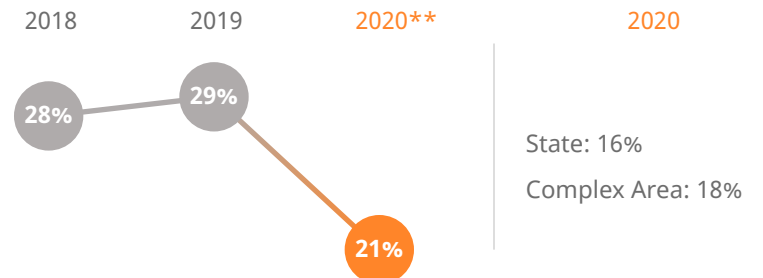

9%
of students learning English are **on-track** to English language proficiency

How many students are prepared for transition?

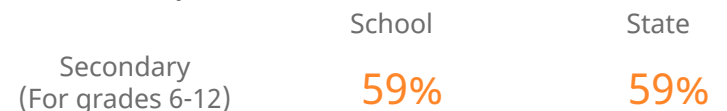

How many students missed 15 or more days of school this year?

How do students feel about their school?

Measures percent of students reporting positive school climate as measured by the Panorama Student Survey.

How do you measure how well a school is doing? In our estimation, it's more than scores on high-stakes tests. Schools should show that they are supporting children along the educational pipeline toward college, career, and community readiness. Are our students attending school? Are they graduating? Are they going to college? And how successfully are schools reducing the achievement gap between high-needs and non-high needs students?

The Strive HI Performance System was designed to account for these factors in student success. Initially created in 2013 by a U.S. Department of Education waiver from certain aspects of the former No Child Left Behind Act, Strive HI has been refocused by the goals and priorities of the 2017-2020 Department of Education and Board of Education Strategic Plan, the governing document for the public education system.

Our Story

Located on the slopes of Mauna Loa in Kealahou, Konawaena High School is one of two comprehensive public high schools that service West Hawaii. The school boundary extends 35 miles from Kailua-Kona south to Honolua. The school's diverse population reflects the evolution of agrarian and resort lifestyles in the Kona district. It is a Title I school.

The school offers comprehensive academic and elective programs, honors courses, 13 Advanced Placement (AP) and 24 credits of on-campus early college courses, a full CTE program, JROTC, and a large complement of co-curricular activities and athletics. The school participates with Hawaii Community College, Palamanui in the Early College program and has several work-study partnerships through the Huiana Work Internship Program.

Konawaena is a member of the Big Island Interscholastic Federation (BIIF) and Hawaii High School Athletic Association (HHSAA), consistently winning league and state championships in a variety of sports.

Konawaena offers programs for students with disabilities or limited English proficiency skills, full counseling services, and a Hawaii Community College-sponsored building and construction academy. Graduates typically enter two/four-year colleges, the workforce, military, or trade schools. The most recent graduating class received over \$3.5M in post-secondary scholarships and waivers.

The faculty is currently comprised of 60 full-time teachers and counselors. The school also employs two athletic healthcare trainers, a part-time Internship coordinator, two part-time check and connect counselors, and several other casual hires to support academics.

The school uses Achieve 3000 and the IXL math program for students needing additional reading and math instruction, offers math workshop support courses in algebra, algebra II and trigonometry, and has partnered with The McCarley Group as its academic consultant to work with teachers during their Professional Learning Communities (PLC) to improve instructional practices. Konawaena also has a parent involver that helps coordinate parent events, an active scholarship foundation, and a host of supportive alumni.

In April 2017, Konawaena High received a full six-year accreditation term from the Western Association of Schools and Colleges (WASC). Recent WASC reports have stated "Konawaena High School deserves commendation for their newly structured Instructional Leadership Team and for embracing the practices and processes which are being implemented as a result."
