

Moanalua High

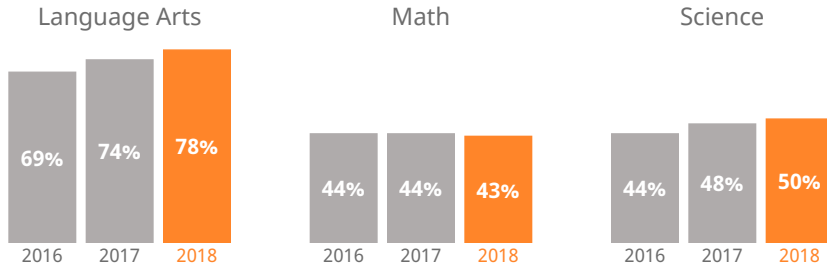

2825 Ala Ilima Street, Honolulu, Hawaii | Oahu | Aiea-Moanalua-Radford Complex Area

THE STRIVE HI SCHOOL PERFORMANCE REPORT is an annual snapshot of a school's performance on key indicators of student success. This report shows schools' progress on the Department and Board of Education's Strategic Plan and federally-required indicators under the Every Student Succeeds Act. These results help inform action for teachers, principals, community members, and other stakeholders.

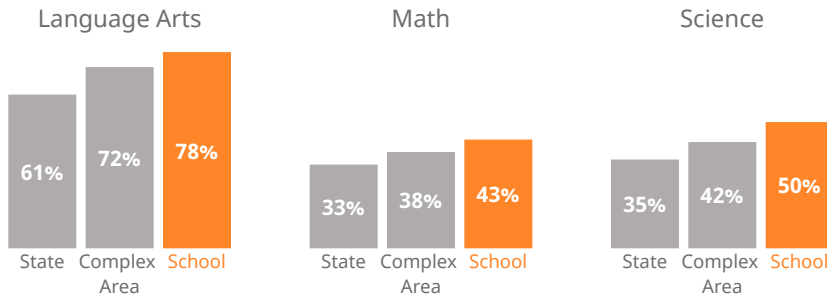

How are students performing in each subject?

Measures the percent of students meeting the standard/who are proficient on state assessments.

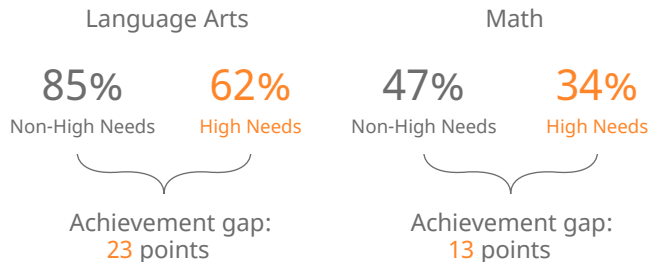

How are students performing compared to others?

Compares the percent of students meeting the standard/who are proficient on state assessments.

How are student subgroups performing?

High Needs: English learners, economically disadvantaged, and students receiving Special Education services. Non-High Needs: All other students.

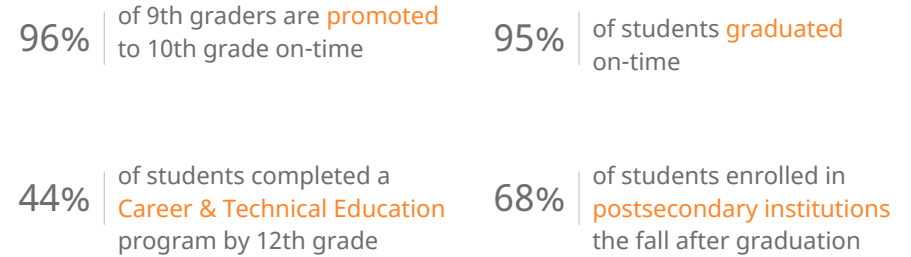

57%

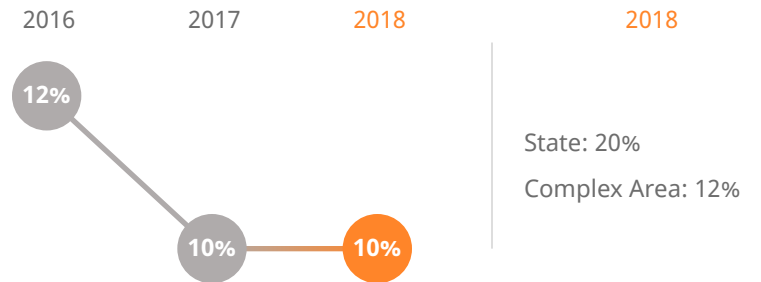

of students learning English are **on-track** to English language proficiency

How many students are prepared for transition?

How many students missed 15 or more days of school this year?

How do students feel about their school?

Measures percent of students reporting positive school climate as measured by the Tripod Student Perception Survey.

77%

 of students **feel positively** about their school

Moanalua High

2825 Ala Ilima Street, Honolulu, Hawaii | Oahu | Aiea-Moanalua-Radford Complex Area

Our Story

Moanalua High School, founded in 1972, is one of six public high schools in the HIDOE's Central District. The 30-acre campus is situated on the outskirts of metropolitan Honolulu on the rim of Salt Lake crater. With an enrollment of approximately 2,000 students, the school serves a diverse population that encompasses all socio-economic backgrounds and ethnic groups. Approximately 24 percent of the student body is represented by dependents of military personnel who reside in neighboring military housing.

Our school offers a rigorous, comprehensive curriculum that includes college preparatory courses, Advanced Placement (AP) courses, Career-Technical Education (CTE) courses and pathways, English Language Learner (ELL) supports, as well as co-teaching and integrated support for special education students. Moanalua High School is the site for two Learning Centers—the center for Media Communications & Technology (MeneMac) and the World Language Learning Center that offers coursework in 7 different languages.

Our students also enjoy access to our school's award-winning music program (Band, Orchestra, and Choral ensembles), an Air Force JROTC program, a growing STEM and Computer Science program, and a diverse array of student-interest clubs as well as opportunities to participate on competitive interscholastic athletic teams.

During our last Self Study Process for WASC Accreditation our school adopted new vision and mission statements to better meet the changing needs of our students.

Moanalua High School Vision

"...a community where everyone encourages, creates and learns."

Moanalua High School Mission

"Prepare students to responsibly create their future."

About Our School

Principal | Robin Martin

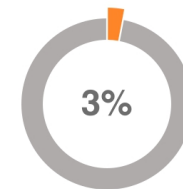

Grades | 9-12

1,942

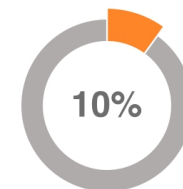

students enrolled

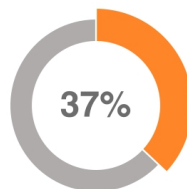

of students are English language learners

of students are eligible for Free or Reduced Lunch

of students receive Special Education services

of students receiving Special Education services are in general education classes most of the day

How do you measure how well a school is doing? In our estimation, it's more than scores on high-stakes tests. Schools should show that they are supporting children along the educational pipeline toward college, career, and community readiness. Are our students attending school? Are they graduating? Are they going to college? And how successfully are schools reducing the achievement gap between high-needs and non-high needs students?

The Strive HI Performance System was designed to account for these factors in student success. Initially created in 2013 by a U.S. Department of Education waiver from certain aspects of the former No Child Left Behind Act, Strive HI has been refocused by the goals and priorities of the 2017-2020 Department of Education and Board of Education Strategic Plan, the governing document for the public education system.
