

Waiakea Intermediate

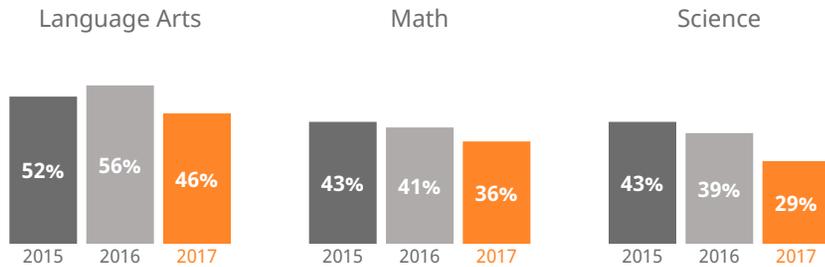

200 West Puainako Street, Hilo, Hawaii | Hawaii | Hilo-Waiakea Complex Area

THE STRIVE HI SCHOOL PERFORMANCE REPORT is an annual snapshot of a school's performance on key indicators of student success. This report shows schools' progress on the Department and Board of Education's Strategic Plan and federally-required indicators under the Every Student Succeeds Act. These results help inform action for teachers, principals, community members, and other stakeholders.

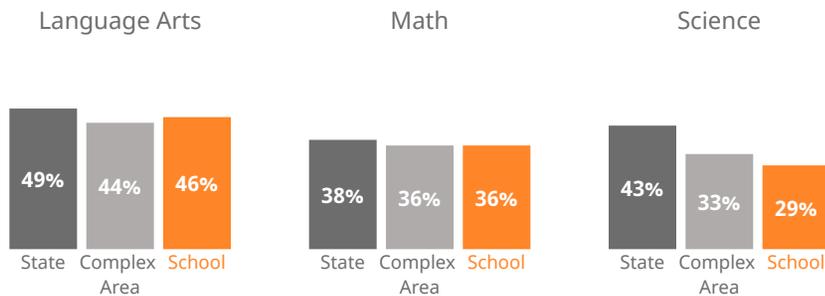

How are students performing in each subject?

Measures the percent of students meeting the standard/who are proficient on state assessments.

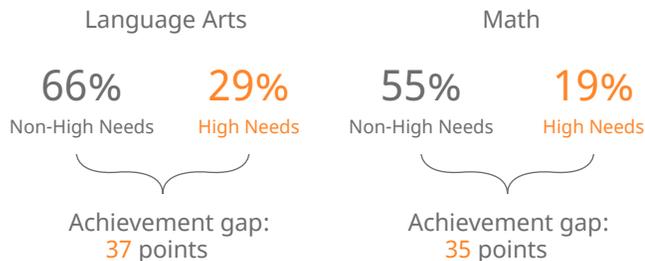

How are students performing compared to others?

Compares the percent of students meeting the standard/who are proficient on state assessments.

How are student subgroups performing?

High Needs: English learners, economically disadvantaged, and students receiving Special Education services. Non-High Needs: All other students.

of students learning English are **on-track** to English language proficiency

How do students' progress compare to their peers'?

The Median Growth Percentile (MGP) shows the relative progress of the average student on state assessments. For example, an MGP of 60 means the average student performance was better than 60% of students that scored similarly on previous state assessments.

How many 8th graders read on grade level?

65% of 8th graders read **near, at, or above** grade level

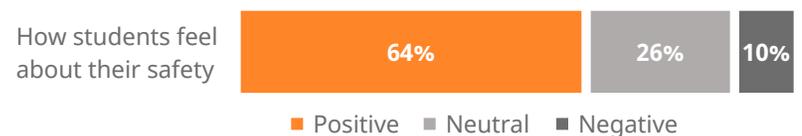

How many students missed 15 or more days of school this year?

Do students feel safe at this school?

Measures student responses on the Safety dimension of the School Quality Survey.

Waiakea Intermediate

200 West Puainako Street, Hilo, Hawaii | Hawaii | Hilo-Waiakea Complex Area

Our Story

Waiakea Intermediate vision is to prepare every student with the character and skills necessary to thrive in modern society. With the adoption of the Common Core State Standards our teachers strive to embed Literacy in all content areas including electives. Waiakea Intermediate utilizes Core Instructional Routines to ensure that all students have an opportunity to engage in rigorous grade level standards through instruction that integrates Speaking, Writing, Reading and Listening.

The school utilizes Positive Behavior Intervention and Support (PBIS) to cultivate and encourage the whole child. PBIS is a schoolwide system of support that include proactive strategies for defining, teaching and supporting appropriate student behavior to create positive school environments.

Teaming is a school organizational structure that utilizes to create smaller learning communities. It is used to subdivide large school populations into smaller, autonomous groups of students and teachers to create a more personalized learning environment to better meet the needs of students. Students share the same core teachers and work together in teams. Some of the co-curricular activities offered by the faculty and staff are concert band, ukulele band, VEX Robotics, Chess Club, track and field, AVID elective, Titans Writer's club, Newswriting and Hi Pal basketball.

The Strategic Plan

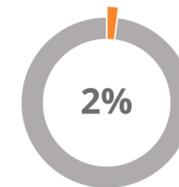

The Strategic Plan describes shared objectives for equity and excellence for every child. To measure progress on the Strategic Plan, we report on key statewide success indicators. These indicators represent the health of public education, focusing on those which have greatest impact on student success, as well as state and federal requirements. They do not comprehensively represent the diverse measures of success valued by our nearly 300 schools. Schools address their unique approach to indicators through their Academic and Financial Plans and charter school contracts. Learn more at <http://bit.ly/1WaqQrL>

About Our School

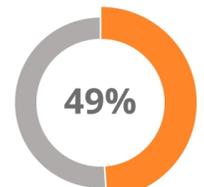

Principal | Lisa Souza
Grades | 6-8

848

students enrolled

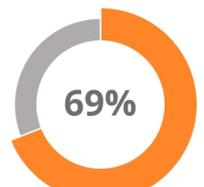

of students are English language learners

of students are eligible for Free or Reduced Lunch

of students receive Special Education services

of students receiving Special Education services are in general education classes most of the day

How do you measure how well a school is doing? In our estimation, it's more than scores on high-stakes tests. Schools should show that they are supporting children along the educational pipeline toward college, career, and community readiness. Are our students attending school? Are they graduating? Are they going to college? And how successfully are schools reducing the achievement gap between high-needs and non-high needs students?

The Strive HI Performance System was designed to account for these factors in student success. Initially created in 2013 by a U.S. Department of Education waiver from certain aspects of the former No Child Left Behind Act, Strive HI has been refocused by the goals and priorities of the 2017-2020 Department of Education and Board of Education Strategic Plan, the governing document for the public education system. Our Strategic Plan provides a common foundation of expectations and supports for public education, centering on closing the achievement gap to ensure equity and excellence in our schools.
