

Waiakea Intermediate

200 West Puainako Street, Hilo, Hawaii | Hawaii | Hilo-Waiakea Complex Area

THE STRIVE HI SCHOOL PERFORMANCE REPORT is an annual snapshot of a school's performance on key indicators of student success. This report shows schools' progress on the Department and Board of Education's Strategic Plan and federally-required indicators under the Every Student Succeeds Act. These results help inform action for teachers, principals, community members, and other stakeholders.

How are students performing in each subject?

Measures the percent of students meeting the standard/who are proficient on state assessments.

How are students performing compared to others?

Compares the percent of students meeting the standard/who are proficient on state assessments.

How are student subgroups performing?

High Needs: English learners, economically disadvantaged, and students receiving Special Education services. Non-High Needs: All other students.

How are students' academic progress measured?

The Smarter Balanced test shows the relative progress of the average student on state assessments using a Median Growth Percentile (MGP). HSA-Alt & KĀ'EO tests show the percent of students making academic growth each year.

How many 8th graders read on grade level?

78% of 8th graders read **near, at, or above** grade level

How many students missed 15 or more days of school this year?

How do students feel about their school?

Measures percent of students reporting positive school climate as measured by the Tripod Student Perception Survey.

71% of students **feel positively** about their school

Waiakea Intermediate

200 West Puainako Street, Hilo, Hawaii | Hawaii | Hilo-Waiakea Complex Area

Our Story

Waiakea Intermediate vision is to prepare every student with the character and skills necessary to thrive in a modern society. With the adoption of the Common Core State Standards our teachers strive to embed Literacy in all content areas including electives. Waiakea Intermediate utilizes Core Instructional Routines to ensure that all students have an opportunity to engage in rigorous grade level standards through instruction that integrates Speaking, Writing, Reading and Listening.

The school utilizes Positive Behavior Intervention and Support (PBIS) to cultivate and encourage the whole child. PBIS is a schoolwide system of support that include proactive strategies for defining, teaching and supporting appropriate student behavior to create positive school environments.

Teaming is a school organizational structure that we utilizes to create smaller learning communities. It is used to subdivide a large school populations into smaller, autonomous groups of students and teachers to create a more personalized learning environment to better meet the needs of students. Students share the same core teachers and work together in teams.

Some of the co-curricular activities offered by the faculty and staff are concert band, ukulele band, VEX Robotics, Chess Club, track and field, AVID elective, Art Club, Newswriting and Hi Pal basketball.

How do you measure how well a school is doing? In our estimation, it's more than scores on high-stakes tests. Schools should show that they are supporting children along the educational pipeline toward college, career, and community readiness. Are our students attending school? Are they graduating? Are they going to college? And how successfully are schools reducing the achievement gap between high-needs and non-high needs students?

The Strive HI Performance System was designed to account for these factors in student success. Initially created in 2013 by a U.S. Department of Education waiver from certain aspects of the former No Child Left Behind Act, Strive HI has been refocused by the goals and priorities of the 2017-2020 Department of Education and Board of Education Strategic Plan, the governing document for the public education system.
